Marie is French. She is twenty one. A year ago she left her home town of Paris to come to London to work as an Au Pair girl to a very English Family. When Marie arrived in the UK she was very innocent about sex, when, a few months later, she went back to Paris, she was sexually very experienced indeed, both with men and women. This is her true account of her stay in London, her true account of how she found out all about love.

LESSON IN LOVE

Part One

I wanted to improve my English, I also wanted a job, so being an Au Pair to an English family seemed to be the best idea. I went to an agency in Paris who specialised in this sort of thing, and they sent my photograph and details to various families in London.

A few weeks later I had a call from the agency, they said they had fixed me up with a Mr. and Mrs. Jones who were very well off and lived in London.

It seemed that Mrs. Jones was a fashion designer of some sort, that Mr. Jones was in business on his own account, and they wanted someone to look after their huge house, cook meals, etc., and the money offered was very good indeed.

My air fare was paid for, and Mrs. Jones met me at Heathrow Airport. She was tall and very beautiful, and as she drove me into London we talked, and we got on very well.

Mr. Jones – Sam – was at the house, and Mrs. Jones – Lara – introduced us. They then showed me to my room, which was large and very comfortable, it had a huge bed, a telephone, and a TV set, and most important, had its own separate bathroom.

They left me to it, Mrs. Jones, or rather Lara, went down to the kitchen to make me a coffee, and Sam went off to do some business somewhere.

I changed and went down to their large and very modern kitchen. Lara and I sat at the table, and she explained my duties, and she was very nice about it, said I could have plenty of free time.

Well, my duties were not to start till the following day, and all they were was simple, look after the house, do some cleaning, some cooking, etc., take messages on the phone for Lara or Sam. I had a feeling that I was going to enjoy it there.

I went back to my room and stripped off and then ran a bath, and I was in the bath when Lara walked in and she sat on the linen basket near the bath and looked at me.

I wondered why she had walked in, for I was a little shy, and although she was staring at my body in that way that made me just a little embarrased.

"You have a nice body, Marie," she said.

"Thank you," I replied. Well, there wasn't much else I could say.

"Yes," she went on. "Your breasts are very nice, very firm and those nipples are good, all pink and stiff. Your skin is very good, your legs are wonderful."

I was embarrassed by this talk, but it was turning me on a little, for I'd never had another woman say how good my body was.

"I bet in France," said Lara, "that the boys were always after you."

I have not had a lot to do with boys," I told her as I soaped my breasts.

"You are not a virgin are you?" she asked.

"No," I replied. "But I have only ever been with two boys.

"Have you ever been with another woman," she asked.

I shook my head. "No," I told her. "That sort of thing is wrong."

"It is not wrong," she smiled. "It is lovely."

I stood up, and she stared at my pussy, stared at it in a very obvious way, and I thought I saw a gleam in her eyes.

"Here," she said, as I stepped from the bath, "let me help you dry off."

With that she picked up the towel and started to dry my back, and I thought her hands lingered on my flesh just a little too long, but it was a very nice feeling.

Then she left, saying that I should get a good night's sleep.

"A BANANA IS NICE INSIDE YOUR CUNT, ISN'T IT?"

I got into bed after that and lay there, and for some reason I thought of Lara touching my flesh as she dried me off turned me on. For as she had helped me dry off, one of her hands had roamed gently over my naked breasts, and my nipples had become very hard at that, and I remembered that she had smiled when she had seen my erection.

I don't know why, but just thinking of Lara's touch made me so very randy, so randy in fact that when I reached down under the sheets and touched my pussy I found that my pussy was very damp.

I flipped back the sheets and looked down at myself, and sure enough, my pussy lips were all pouting, and the sparkling juice was sticking to the flesh.

I hope that this doesn't mean I am a lesbian, I thought. For I had got wet just thinking about the way Lara's hand had moved over my boobs and nipples.

Well, I may have been, at that stage, very, very innocent about sex, but I had wanked off often, and I knew enough to realise that I wasn't going to get much sleep that night if I felt that randy.

I started to run my fingers over my pussy lips, and for some reason, as I played with my pussy, the image of Mrs. Jones, of Lara, touching my breasts, flicked through my mind.

I closed my eyes and held that image in my mind and started to run a little harder at my cunt lips. This was strange really, for in the past when I had wanked I had always thought about the first boy who had ever fucked me, this had been about two years ago, his name had been Henri, and like I said, when I wank off usually I had always previously thought of how Henri had got on top of me and slipped his lovely cock into my pussy, but now I found myself thinking about Mrs. Jones, about Lara, and the thrill it had given me to feel her fingers on my naked breasts.

My pussy was very wet indeed, and my fingers were all sticky, and I moaned slightly to myself, moaned with delight, as I pushed two of my fingers very gently into my cunt.

They felt very nice inside me, especially as I pushed them in just as far as they would go, and soon those juices of mine were bubbling all over my hand.

I started to wank off, glided my probing fingers in and out of my cunt hole, and it wasn't long before an orgasm went through me, and a very nice orgasm it was as well.

I wanked myself just a little faster, and as I did so, I kept thinking of Lara and the way she had touched my boobs, and for some reason this made my orgasms just that little more intense.

The following morning I had breakfast with Lara – her husband had already gone to work – and then she showed me round the rest of the house, which was huge, and then said I just had to tidy up that day, that she was off to work and would be back in a few hours.

I dusted round the house, and it took time, for there were twelve rooms to be done, and then, when I was in this small work room, it was obviously Lara's for it had lots of fashion designs pinned up round the wall, I came across a bundle of photographs on the desk.

I was curious, and so I looked at them, and my eyes almost popped out of my head, for the pictures showed Lara naked, and not only that, they showed her wanking off with a banana.

I had, of course, heard about such things, but had never tried it with a banana myself, and those pictures showed that Lara was really enjoying what she was doing.

I sat down and studied the pictures carefully, and found that I was getting very turned on by them. Then Lara came into the room, she had finished her work early, and I blushed and put the pictures down, and she just smiled.

"Did you like them?" she asked.

"I...I don't know, " I replied.

She came over to me and smiled agin. "I left them out so that you might find them," she said.

"Why?" I asked.

She took me down to the kitchen and made some coffee, then, as we sat at the table, she answered my question.

"I am bisexual," she said. "My husband and I swing a lot."

"Swing?" I asked. My English was not so good at that stage, and swing was a word I did not know.

"We swap," she said. "We have sex with other people."

"Oh I see," I said, again blushing a little.

"The moment I saw you I liked you," she went on, "and so did my husband. Now don't get me wrong, we are not going to force you into any sex. It is up to you what you do here."

Well, that was the end of the conversation, and for the rest of the day I did my duties round the house and that evening had a meal with Mr. and Mrs. Jones, with Sam and Lara, and during dinner not one word was mentioned about sex.

That night, in bed, I thought about the pictures of Lara, about the way she had taken that banana all the way into her cunt. I thought I had to try this for myself, and I remembered seeing some bananas in the kitchen, took a banana, then went back to my room.

I lay on my bed with my legs wide apart, and then reached down and started to rub the end of the banana up and down my pussy, and it did feel ever so nice.

Before very long I was very wet, and I thought it was now or never, and I gently pushed that banana into my pussy, and it was so good, that I had an orgasm on the spot.

I wanked with it, pushed it in and out, and again had more orgasms as that banana went very deep into my tight pussy.

I must have been making quite a noise for at that moment, right in the middle of an orgasm, with the banana deep inside my pussy, the door opened and in walked Mrs. Jones.

She was naked, stark naked and had a very beautiful body, and I saw that she was smiling with pleasure when she saw what I was doing.

"A banana is nice inside your cunt, isn't it?" she asked.

"I don't know what to say," I replied.

She came over and sat on the edge of the bed. "Please carry on," she said, her breasts heaving up and down.

"I won't touch you or anything, but it would give me great pleasure to watch you wank with that. It is your first banana isn't it?"

I nodded.

"It is always ncie to see a young beautiful girl like you do something like that for the first time," she said. Then she added. "Of course, if you are embarrassed then I'll leave."

Well, at first I had been very embarrassed, when she had first walked into the room, but now that she was sitting on the edge of the bed, I found that it was quite a turn on. I had never had anyone watch me wank off before, and what was also turning me on was the fact that her pussy was very wet, and also, another turn on, as the fact that this was the first time in my life that another naked woman was

WATCH THAT BANANA GO IN AND OUT OF MY PUSSY

sitting next to me.

I reached down again, and as she stared at my pussy, I again flashed that banana in and out of myself, and because she was so close, because she was looking at me wanking off, my orgams were very intense indeed.

I saw her lick her lips, saw a real gleam of lust come into her eyes, as she watched that banana go in and out of my pussy hole.

When I had finished, she stood up and smiled and then left the room without saying another word.

The banana incident wasn't mentioned the following morning at breakfast, though from the way Sam was looking at me I gathered the impression that his wife had told him what I had been doing during the night.

During the rest of the day, while both of them were out, I found myself thinking more and more about Lara. I just couldn't get her out of my mind.

Mr. Jones wasn't at dinner that evening, and Lara said he had been called away on business and wouldn't be back till the following morning.

Well, that evening, I was in the bath, and again Lara walked in and this time I was pleased to see her, and when she helped me dry off, again her hands seemed to linger over my breasts, and this time, as she touched my breasts a tingle of pleasure went through me.

She was looking into my eyes, and I saw her smile as I shivered with delight. Then she made no pretence about just drying me, both of her hands went to my firm boobs and she started to fondle them, and as I felt my nipples grow really hard.

"Do you like me?" she asked, her fingers still roaming over my naked breasts.

I nodded.

"Would you like me to show you just how much pleasure two women can have together?" she asked.

"What would your husband say?' I whispered.

"He knows I love other women," she said. "Look, I would love to be the first woman you have ever had, I would love to teach you about bisexual fucking. Will you come to my room now and let me show you?"

I was very worked up, and very nervous, but I did want to find out, for her hands on my breasts, the first ever female hands to touch me anywhere on my body, had turned me on a great deal, and I looked at Lara and smiled and then nodded, and she smiled back, and took me by the hand and led me to her private bedroom.

Yes, she and her husband had separate rooms, not because they didn't get on, but because they kept funny hours at times, and it was better to be in separate rooms so that one would not disturb the other when coming in late.

We were now in Lara's room, and she slowly undressed and again I saw the full beauty of her naked body, and I couldn't help but notice how wet her pussy was.

She led me to the bed. "Relax," she said. "What I am about to do to you, what I am about to show you, will be one of the very best sexual experiences of your life."

"You are sure your husband won't mind?" I asked.

She smiled. "My husband would very much like to fuck you," she said.

"Really?" I asked.

"Yes, really," she answered. "He would like to get his large cock – and he has a really big one – into your pussy. I've told him what your pussy looks like."

"I didn't come here to be fucked," I said. "I came to work."

She smiled and started to run her right hand over my breasts. "He knows that, knew that. If he ever fucks with you it will be because you want him to," she said. "But enough of that. Listen, you want me, you really do desire me, to make love with you now do you?"

Her fingers were sending little electric shocks of pleasure throughout my body as they moved slowly and lovingly over my breasts. I nodded, for to tell the truth I really did want to find out all she could teach me. Well, being French, I was not prudish or anything, and she was really turning me on.

She smiled when I nodded and increased the pressure of her fingers on my boobs, and my nipples were really hard, and then I

gasped out loud and almost had an orgasm, for she had lowered her head, and now it was her darting wet tongue which was moving all over my boobs and nipples.

I shook all over, this was a really wonderful sensation, my breasts felt as if they were on fire, my nipples so hard they seemed as if they would explode with lust at any second.

Then her head was over my belly, her tongue lapping at my flesh, and again I shook uncontrollably, and heard myself shouting with pleasure.

"I said you would like it," she whispered, lifting her head from my belly. "Now we come to the good part, the part you will love, the part I have dreamed about ever since I first saw you in the bath. I am going to suck your pussy.

"I have been sucked down there by a man," I said.

She smiled. "But I am an expert," she told me. "I am going to do it better than you have ever had it done to you before. I am going to use my tongue in your pussy, on your pussy, round your pussy, in such a way that you will have the best orgasms that you have ever experienced in your life. This is going to be your first ever suck by a woman, and it is going to be something you will always cherish as a memory."

Her head went down again, and she started to use the tip of her tongue on my pussy lips. It was an incredible feeling. Sure, I had been sucked there, licked there, before, but she had been right, this was something really different, this was a woman's tongue which was doing it to me.

Her tongue lapped very gently indeed at my pussy lips, and I felt that vaginal flesh of mine start to pout with delight, start to swell with lust, and the inside of my cunt became very hot and wet indeed.

Waves of joy went through me as she lapped at my lips, and then she raised her head, juices on her mouth, and said: "You have the sweetest taste, a very good taste."

"I know," I told her.

"You have tasted your own cream?" she asked.

I nodded. "After I have masturbated myself, which I do often," I said. "I always suck my fingers dry in my mouth afterwards."

She nodded. "Yes, all sexy women do that," she replied, and then her face went down to my cunt again.

This time she didn't lick at my lips, this time she used her fingers to part the red folds of flesh at the top of my labia, she used the tips of her fingers to pull the hood open and reveal my clit.

Just the touch of her fingers on that part of my cunt gave me extreme sexual pleasure, and I was very aware that my juices were now bubbling out in a thick flowing stream. I was wetter – and this is the truth – than I had ever been before in my life.

She now had my clitoris fully exposed, my hard bud of erect tissue was throbbing in front of her eyes, and I heard her gasp at the beauty of my clit.

Then I shuddered and had an orgasm, one

EASED ONE OF HER FINGERS INSIDE MY CUNT HOLE

of the most beautiful orgasms of my life, for she had taken my very delicate and sensitive clit between her soft warm and wet lips and was sucking so tenderly, oh so gently, on it.

I felt my clit throb, felt it grow large and hard inside her mouth. I had another orgasm then, and felt my cunt cream spurt from me in great waves of passion.

Then she sucked harder, then harder still, and rolled my clit between her lips and I almost fainted with delight. This was better than any other suck I'd ever had.

My clit slipped from her mouth, she raised her head.

"My husband would love your clit," she said.

"I have no intention of fucking with him," I said.

She smiled. "There's no hurry," she told me. "He has a wonderful cock, one of these days you will see it, and once you see it you will be desperate to get it inside you."

"We'll see about that," I said, and then I moaned with pleasure, for she had eased one of her fingers inside my cunt hole, and now she was exploring the inside of my pussy with the tip of her finger, pushing deep, rasping it over my cunt walls, getting used to the feel of the inside of my cunt.

Her finger plopped out, and she held up her hand, and I could see that the juices were sticky on that finger. She pushed her finger into her mouth and sucked it, and her eyes lit up as she did so.

Then that finger was back inside my pussy again, and this time she wanked me off for real, the finger flashing in and out, and I came many times over.

She pulled her finger out once more and this time she pushed it into her mouth, and she watched with delight as I sucked my own cream from her finger.

"Now for the real suck," she said. "Now for the first time in your life you are going to have another woman's tongue inside your cunt hole."

She went down on me again, this time she used all her fingers, and she parted my cunt lips, pulled them wide apart, and then spent a few seconds looking deep into my hole.

Then her tongue was in there, she held her tongue very stiff and plunged it all the way into my tight cunt.

The most amazing orgasm that I have ever experienced went through me at that point, and I again almost fainted.

Her tongue went deep, and she started to slurp away, sucking out a great amount of cream, and the suction was so great that it almost seemed as if she were trying to turn my cunt inside out.

How long that suck lasted I do not know, all I do know is that it was fantastic, that I came again and again while her tongue did wonderful and amazing things inside me.

She rolled from me. "Yes Sam would love your cunt," she said. "Now do you feel up to sucking me?"

I was still tingling with pleasure, my cunt hot and wet and randy, and I nodded at her, for right at that moment I wanted to suck her out, wanted to tongue her pussy, more than anything else in the world.

She stretched out on her back, and I went down on her, and without a moment's hesitation, I pushed my tongue ionside her and slurped away.

You would have thought that I had been doing that all my life. It was the first time for me, but I took it like a duck takes to water, and the taste of her hot cunt, the taste of her juices, was wonderful.

I sucked and slurped and licked and lapped and drank down her free flowing cream, and I gave her many orgasms before I stopped.

"For the first time it was very good," she said.

"But you mustn't rush sucking another woman's cunt. You must take it nice and easy, you must just explore the cunt at first, nice and slowly, and then, when the woman has climxaed, and only then, do you go hard and fast at it."

I smiled and nodded and thanked her for the information and she then smiled back and started to get dressed, and I then went back to my room, and I could still taste her juices in my mouth.

I wondered what else I would learn about sex in that household, wondered if I really could fuck with Sam, wondered what other things Lara was going to show me about bisexual love, and with these thoughts in my mind, with the taste of juice in my mouth, with my own cunt still hot and wet and pounding with passion, I fell asleep.

In the next issue, we continue this true story of Marie, the Au Pair girl, in London. In the next issue she tells us about her further sexual adventures, and how, with Lara looking on, she did indeed fuck with sam.

ONCE SHE WAS FRIGID....

A friend of mine once said to me 'The trouble with really sensational beautiful girls is that they are frigid. Not really frigid I suppose, but they are so concerned with their looks, that they won't relax enough to really enjoy sex."

Well, I had never really had a chance to put that theory to the test, but for some reason the words stuck in my mind.

When I met Helena, then the words really came to the front of my mind. Let me tell you about that lady, and then let me tell you what I did to stop her staying frigid.

My firm asked me to go along and represent them at this business exhibition, which I did. It was a real high class affair with people there from all over the world.

On one stand there was a firm who sold a high computer stuff, and there was a woman in charge of the PR part of the stand.

She was amazing. On the first day there I just couldn't take my eyes from her. She was tall, blonde, and sexy. Real high class cunt, as my friend would say.

Well, on the second day, I just had to talk to her and when I saw her leave the stand to go on her coffee break, I told my assistant to look after things, and took off after the woman.

The cafe was packed, except for the table she was at, so I grabbed a coffee and sat next to her, and opened up the conversation by talking about the exhibition.

Her voice was low and sexy, and her eyes were amazing, the sort of eyes that promised all sorts of sexual delights.

It was really nice talking to her, but she brushed off, in a nice way of course, my attempts to get a date with her.

The exhibition only had a couple more days to go, and so the following day I also caught her on the coffee break, and we sat next to each other, and she was still as friendly, and this time she was wearing a blouse that was almost see through, and that certainly raised my temperature.

Again she talked a lot in that very sexy voice of hers, and she smiled alot, and again, when those eyes looked at me I went weak at the knees with desire. She was beautiful, staggeringly beautiful, and very high class, and even then, talking to her, my friends words came to mind about this sort of woman, this sort of amazingly beautiful woman, being frigid.

Well, the next day she softened to my chat and agreed to go out with me the following night.

I took her to the poshest and most expensive eating place in town, and she turned up for the date dressed in a stunningly beautiful outfit, and as we walked into the place every head turned. Yes, she was the sort of woman who everyone looked at.

Well, the talk was all about business while we had a meal, and then over coffee, I turned the talk round to sex, and she said she wasn't that interested in it, that she rarely got any real satisfaction from it, and as she said those things, the words of my friend again rang to my ears.

Well, I couldn't believe that a woman as good looking and sexy as she was could possibly be frigid. There was, in fact, only one way to find out, and although I didn't hold out much hopes, I asked her to come back to my place for a drink.

She smiled and said she would, said that she liked me, and that she would go to bed with me if I wished, and then, before I could even say 'thank you' she quickly added that she had a low sex drive, that she couldn't relax in bed, and that she couldn't remember the last time she had an orgasm.

Of course, I thought she was kidding, like I said, never in a million years would you have thought that a woman with that figure, that smile, those eyes, and that voice, could have failed to get an orgasm. I thought, I honestly thought, that she was just joking was just leading me on.

We went back to my flat and had a drink, and then I reminded her about her promise, and she smiled, said she would keep it, would go to bed with me right there and then if that was what I really wanted, but that she didn't climax, wasn't able to relax in bed, and perhaps I would be better off just looking at her when she was naked and having a good wank, she said that a lot of men ended up doing just that, and she didn't mind.

Well, again, I thought she was joking, but those words of my friend did keep ringing in my ears.

I took this lady into the bedroom and she stood there quite still while I undressed her. That was the first bad sign, for most women give you some sort of sexy reaction when you undress them.

Her body was better than I could have possibly imagined, full firm breasts with large red nipples, her skin was perfect, her legs out of this world.

I stood and looked at her and then got undressed, and she was still standing there, and with a smile she said that I had a good cock, and that she hoped I wouldn't get too annoyed with her when she didn't react well in bed.

She said that she really did want to enjoy sex, really did want to have orgasms, but she was unable to relax enough to do that.

Well, always the optimist, I

I LOOKED AT HER LOVELY FLESHY CUNT LIPS

thought she was joking, and I led her over to the bed, my cock already hard and stiff as hell.

She stretched out on the bed, and I looked at her lovely fleshy cunt lips and thought that one way of giving any woman a good orgasm as fast as possible would be to suck her cunt.

Let's face it, I had yet to meet a woman who didn't come when she had a tongue waggling about inside her cunt hole.

I lapped at her cunt lips, and they tasted wonderful, I then parted the lips with my fingers and shoved my tongue all the way inside her hole. Now most women give some sort of reaction when anything goes inside their cunts, but this woman didn't move.

I pulled my tongue out and looked at her, and she smiled, said she liked it, but that was all. She didn't dislike it, but it didn't do a lot for her, and I thought I noticed a certain tenseness about her eyes, it was obvious that what she had said was right, she couldn't relax enough.

Well, I thought I'd give it one more shot, after all, I fancy myself as an expert when it comes to sucking cunt.

I went down on her again, and this time gently pushed my tongue into her sweet tasting cunt, and she soon got wet, which is always a good sign, and then I flicked the inside of her walls, and then started to suck, started to draw the juices from her hole and drink them down.

I must have sucked at her cunt, used every single trick I knew, for a full five minutes. Now let's face it, can you name a woman who doesn't have an orgasm after five minutes of really expert cunt sucking?

Well, this woman didn't even moan, didn't even shake, didn't react in any way, she just lay there, legs apart, her cunt wet, her clit hard – and even though I sucked her clit it didn't make her come.

Okay, I thought, every woman that I have ever known has had an orgasm when she has been fucked by me.

I got on top of her. Now when most women have a cock go inside they react by lifting their legs a little, they sort of moan and shake, but this woman did nothing.

I sunk my cock into her cunt, and what a really lovely cunt it was, all wet and tight, and I started to fuck her slowly, started to thrust in and out very hard and deep, but very slowly, and after five minutes of that most women are usually coming all over the place, but this woman just lay there, and I realised what she had meant earlier when she had said that a lot of men just wank off while looking at her naked body, for there was no reaction from her at all.

I powered away fast after that, thinking that a fast fuck might do the trick, and although she smiled at me, she didn't come.

I pulled my cock from her without coming, and asked her a few questions about it all, and she said she really did not have any answers. The truth was she really did want to climax, she really did want to enjoy sex, but she couldn't relax enough.

So there was I, in bed, with the most beautiful looking woman in the world, and she couldn't come, and for all the good it was doing me, for all the fun I was getting out of it, I might as well have been wanking, and again I heard my friend's voice ringing in my ears.

Well, I had to do something about this. I don't like cold fucks, so I had no intention of fucking her anymore, and so I did as she suggested, I just looked at her body and wanked off so that my spunk shot all over her breasts when I came.

She said it was a nice feeling having my sperm over her tits, but it didn't make her come. Well, by that stage I was determined to do something about it, I was determined to get this woman so randy and hot and wild that she would turn out to be the best fuck in the world. But what?

She did want to come, she did want to enjoy sex, she did want to give me a good time, but she said that other men had tried, many other men, but none of them had had any luck.

We got dressed, and sat around talking, and we talked about her problem a lot and she said she could not relax, I told her what my friend had said about really beautiful women, and she nodded, and said that my friend was indeed talking a great deal of sense.

Well, the next day I thought about her a lot, and that night I took her out again, and then after a meal we went back to my place and went to bed, and this time I took everything nice and easy, nice and slowly, used every single bit of my expertise, and the result was the same, she liked it, and she really did want to come, but she couldn't. What annoyed me in a way was the fact that she didn't join in, that not once did she try and do anything of a sexual nature to me.

After we had got dressed again, I asked her about this, and she said she couldn't relax enough to do anything to a man, that she would love to suck my cock, play with my cock, even wank herself off while I watched, but that she couldn't relax enough to do it.

I thought I heard my friend's word blasting loud and clear round the room after that.

But I refused to give in, I told her I would see her in a few days, and in the meantime I would try and figure out if there was anything I could do about it, try and figure out some way of getting up to forget she was so fucking beautiful, some way of getting her to relax and be able to enjoy fucking, and really join in the act.

Well, I popped into my local sex shop and had a look round the sex aid counter, after all, the sex shops are always advertising that they sell stuff like that. Stuff that helps a woman come, and all that jazz.

I had a word with the manager of the shop, and found myself telling him what the problem was. Funny that, isn't it, how people will tell a perfect stranger all about the sort of problems that they will not even mention to their closest friends.

Well, he listened, and then agreed with what my friend had said that really beautiful women have problems like that, they think about their looks so much that they forget about being able to relax, and he suggested that I try something called 'Love Drops'. It seemed that you dropped a few into a cup of tea and the woman drank the tea, and these drops really made her relax, really made her feel sexy.

He said the important thing was not to let the woman know that she had taken them, for if they did know then it might make them even more uptight.

I said I quite understood that, and I bought a bottle of 'Love Drops', and took them home, and to be honest, I didn't hold out much hope, for I thought it would take a fucking miracle to thaw out that girl.

The manager of the shop had also said that the drops wouldn't

LOTS OF HER LOVELY THICK CUNT CREAM

make a really cold and frigid girl sexy, he said nothing could do that, but if deep down the girl herself wanted to be sexy and hot, then the drops would relax her enough to allow her own natural feelings to come through.

Well, that sounds okay, for this girl had told me many times that she did want to be a really wild cat of a woman in bed.

Well, all I could do was try, for there seemed nothing else on the market to help me out with my little problem.

What I liked about those things was that they wouldn't work on women who really meant no when they said no, they would only work on women who could not relax, women who wanted to but couldn't.

Anyway, like I said, my problem was so huge that I didn't hold out much hope for them. But I phoned the lady up, and she agreed to come out with me, and again we had a good meal, with good conversation, and again she looked stunning, and not for the first time did I think that it was a huge pity that one so lovely couldn't enjoy sex.

We went back to my place and I offered her a cup of tea, and when she accepted, I went into the kitchen to make it, and then, into her cup, I poured just a few drops of the 'Love Drops', and then went into the lounge and handed her the cup.

We talked about this and that, and I didn't mention sex, and she finished her tea, and then we talked some more.

Then I suggested we go to bed, and she said that she would like that, but she was sure that I was wasting my time again. I said I would be the judge of that.

We went into the bedroom, and I undressed her and then she got onto the bed. I thought that the drops must have had time to work by now, and so when I was naked, I got onto the bed.

I thought as good a test as any would be to suck her cunt, and so I moved my head down her lovely body and then placed my face between her thighs.

It might have been my imagination, but I could have sworn that there were more drops of juice on her cunt lips than normal.

I leaned in and started to run the tip of my tongue all over her perfectly formed pussy lips. Now the last time I had done this, I'd had no reaction at all from her, but this time, as I moved my tongue all over those damp vaginal lips, she started to moan with lust, for I've heard many women moan like that.

I stopped licking, and looked up at her, and she said she really did feel sexy, that for the first time in her life, she had felt a tingle of sexual desire ripple through her body as my tongue had moved over her cunt.

I smiled, for this meant the drops were working, and I put my head back down to her cunt and then licked some more, and this time there was no mistake about it, for as I licked, more juice than I had ever seen before started to bubble from her cunt.

I glanced up at her again, and there was this sexy look in her eyes, and she was breathing hard, and she said this was very strange that she really did feel sexy, and she was so pleased about it, she had never felt this way before, and would I please carry on sucking at her cunt for she was sure that if I carried on she would be able to have an orgasm that would be the first orgasm she had had in the past five years.

I went down on her again, and this time I parted her cunt lips with my fingers, and then pushed my tongue all the way into her cunt, and I did it nice and slowly, for I didn't want to jerk her out of the mood she was in, those drops were obviously working, and I wanted to take it nice and easy, to build this woman up slowly.

Well, my tongue went inside that divine hole of hers, and she was hotter and wetter in there than she had ever been before.

I heard her start to pant as I started to plunge my tongue in and out, then she started to moan, and so I started to suck, and then as I was sucking really hard, as I was drinking down lots and lots of her lovely thick cunt cream, so she shouted out so loud and long that she must have been heard miles away.

She was having an orgasm. Yes, this very lovely, yet frigid lady, was having her first orgasm for five years, and her entire body seemed to be jerking and heaving, and that shout of pleasure of hers lasted one hell of a long time.

I stopped sucking and she begged me to carry on, said she did not know what had come over her, or why she had started to feel like this, but she loved it, she said that for the first time in her life she felt really relaxed in bed with a man, that she wanted more orgasms, that this was fabulous, and then she again said she didn't know why this feeling had suddenly come over her, but she loved it.

I smiled, as I pushed my face back down to her cunt, for I knew full well what it was that had caused her to feel like that.

Yes, those Love Drops had really worked, they had made her relax and they had released her inhibitions, and she was loving it, and so was I, for that cunt of hers was so wet and so hot when I went back inside her with my tongue, that I had the feeling that I was about to drown in her juices.

I used every single trick in the book to give her pleasure with my tongue. I sucked and slurped at that cunny of hers as if it were the only cunt left in the world, and a couple of minutes later she let out another huge shout of joy as another orgasm went through her.

I licked my lips and rolled up to her side, and saw that she was smiling, and she did indeed look very relaxed and she said it was a marvelous feeling, that this was really amazing and would I please work on her tits now, for she was so relaxed and happy, that she was sure that she could get an orgasm from me just working on her tits.

Well, I thought that a bit ambitions on her part, for most women, though enjoying tit sucking, don't come from it, so I decided to hedge my bets. Well if I did something to her anything at all, and it did not produce an orgasm, then she might tense up again, and that I did not want.

So I leaned over and sucked and licked at her tits, and then sucked hard at her nipples, and she told me it was great, that she felt really good, and then she started to tingle all over.

I hedged my bets in the most simple manner, for while sucking her tits, I also reached down with my right hand, and then just as she was gasping like hell and hoping for an orgasm, I plunged three very stiff fingers all the way into her cunt and started to wank her faster and harder and deeper than I had ever finger fucked any woman.

She climaxed on the fucking spot, and she heaved so much

that my fingers were jerked from her cunt and her nipple fell from my mouth, and I rolled over and just looked in amazement at her, for she was having the most powerful, shuddering, hammering, shaking, orgasm, that I had ever seen any woman have, and indeed, that orgasm was so huge that I thought she was going to pass out. Yes, that orgasm she had from me sucking her tits, and then suddenly plunging three fingers into her cunt, was truly fabulous.

Well, it now seemed to me that I was about to get one of the best fucks of my life.

She gasped out that she had never felt this way before, that she would always be deeply in my debt for having turned her on so much, I smiled at that, for it meant I was deeply in debt to those drops.

I decided that I wanted her in a position where I could get as deep as possible inside her cunt, and so I asked her to get on her hands and knees, which is what she did and she looked really lovely like that.

For her bum looked great, and her tits were hanging down, the nipples all stiff and hard, and there was a lot of cream dripping from that lovely cunt of hers.

I knelt behind her, and as soon as I placed my hands on the cheeks of her bum, she shook all over with lust.

And then, when I eased my cock under her, when I thrust my cock all the way into her cunt from the rear, she had another one of those amazing orgasms. It was really remarkable, she hadn't had an orgasm for years, and now she had had three or four one after the other, and they were the sort of huge intense orgasms that any woman should have given anything for.

I thrust my cock home, thrust it in deep, pushed it into her cunt from the rear, and taking a really firm grip on the cheeks of her bum with my hands, I started to fuck her.

She had the wettest, tightest cunt that I had ever been inside, and she had orgasms all the way through that fuck, yes she kept coming all the time.

She shouted and yelled, and I shafted and fucked, and that cunt got tighter all the time.

I heaved in and out of her cunt from the rear, giving her all I had, really going at it like the clappers, and she kept begging for more, kept calling out that I should try and go even deeper into her hole.

Well, I did my best, but if I'd gone in much deeper then my cock would have come out of the top of her head. Never, in all my fucking life, had I fucked a woman this hard before.

My glans was battering away against the very depths of her pussy, and my balls were slapping and my fingers were digging into her bum, and she loved every single second of it, and after a while she took my balls in her hand and pulled on them so much I thought they were going to come off.

Then she did almost pass out again, for my spunk was now going into her hole, and that spunk was the most that I have ever shot out in my life, and it really did gush into her, and it was the first spunk she had ever had inside her for ages and ages, and she loved it. I felt her ripple her cunt walls up and down my shaft as she tried to make sure that she got every last drop of sperm out of me.

In fact, afterwards, she was so pleased about having that spunk inside her, that she rushed into the bathroom and then crouched down in front of the mirror I had in there, and then she used the tips of her fingers and pulled her cunt lips wide apart.

Yes, that once frigid lady was now so turned on, thanks to those drops I had bought at the sex shop, that she had pulled her cunt wide apart, and now looking at my thick spunk swimming about inside her.

That was one of the most erotic things that I had seen for a very long time.

I didn't have to use the drops after that. I went to bed with her lots times, and those drops were not needed again. It seemed that just one dose of them had done the trick, it seemed that just a few drops in that cup of tea had unlocked all the inhibitions that she had been suffering from, and it seemed that they had been unlocked for ever and ever.

Well, I'm still fucking with that very lovely lady, and she is getting sexier and kinkier each and every time we go to bed, so you can work out for yourself why I say that the products they sell in sex shops these days are best.

Yes, if you have a problem with a lady, then take a tip from me, pop down to your local sex shop, I'm sure they will be able to help you with whatever problem you have got.

A TWIST OF FATE

The idea had been playing around in her mind for some time and the events of the day had brought it sharply into focus. Her once loving husband had shouted and stormed as he read through the last batch of bills that had come through the post.

"Carry on like this and we'll soon be out in the streets begging for a meal. Whatever has come over you, in one day you've spent over a couple of thousand just on clothes. Tell me, just how do you manage to get them all in your wardrobe or do you plan on running up another bill to get a much bigger one? When we got married ! was a rich man but the way you are going on the lowest paid of my staff will have more in the bank than I will have," he spluttered and his face went red, so red that Jean thought that he was going to have a stroke. In fact a smile played over her lips at the thought, that would solve all her problems.

It was a good job that he didn't know what clothes she actually had, for the bill he was talking about was not for clothes, far from it, for the two thousand she had borrowed had been in cash from the ownen of that shop. In fact it hadn't been two thousand for he had put a few hundred more on the bill for his trouble and that was on top of the other price she had had to pay. She could remember it well for apart from the money helping her pay some of her smaller gambling debts the interlude had been quite pleasant, for apart from the odd time or two when he had the energy to climb into her bed this loving husband of hers spent most of his nights sitting up in bed reading all that boring financial matter.

Jem Masters who owned the elite dress shop just a few blocks away had listened to her tale of woe when she had called round to explain that she didn't want her husband to see the bill for her last order of dresses, he had eyed her up and down and then with a queer smile on his face he had said, "Now look, I'm an easy going sort of man, I wouldn't like to think that I'm going to lose your custom, let's suppose for a minute that I hold the bill back a few weeks so that you can have time to raise the money, how would that suit you?"

She had been so thankful that she would have agreed to anything. Then out of the blue had come this suggestion.

"Just suppose that you wanted a few pounds in a hurry, in cash I mean. Well I could lend you the money and send your husband a bill for clothing?" It was here that he had stopped and given her a long and lingering look. "You know Mrs. Marsden, I've always been jealous of your husband having a girl like you for a wife, as you know I live alone and have very little contact with women apart from the shop. I would be grateful for as bit of company now and again, and you must be lonely too with Mr. Marsden travelling all over the world."

She gave a wry smile as she answered. "What you mean to say Jem is when Bob is away you would like to take me to bed?" Her glance travelled slowly up and down the middle aged man and she shrugged her shapely shoulders. "Well, why not, it might do us both a bit of good," and that was how it had all started.

She had actually looked forward to the first time and upon entering his home for the first time she had been impressed. It looked as though he was more wealthy than what she had imagined, her own place was full of expensive things but this house exceeded all that and looking at one painting she knew from experience that the sale of the one object would keep her in luxury for quite a long time.

He seemed to be in no hurry to claim his reward and she felt a pang of disappointment as she listened to his conversation, she had bathed carefully and scented her body all over and as her hand dropped between her thigh she smiled to think that strange hands might be there before long and she had grown wet at the thought. Suddenluy he stood up and she saw how stained the cloth of his trousers had become

HIS SECRET PEEPHOLE

so without a word she leant forward and ran a slim finger along the shape of the hard length that was now showing.

"Nice," she whispered huskily, and then her hand closed over the hard shape.

He was gentle as he undressed her and marvelled at the creamy textue of her skin, he bestowed a kiss onto each nipple as her bra fluttered to the floor and then clad only in her pants she faced him breathing rather more quickly than before.

"Stay like that," he begged and then hurriedly took off his own clothes and Jean then knew how she had misjudged him, for the body that her eyes were glued on was the slim body of a man who looked after it and the long hard shaft that stood out in front proudly was a credit.

His fingers glided all over the tight skinned knob of him and he gasped with pleasure, he knew in his heart of hearts that he had not misjudged his timing, for long ago he had thought how nice it would be to have a woman like her in his power and how she had played right into his hands.

He had spied on her through his secret peephole as she changed her dress in his shop and the thoughts of owning that body of hers even for a short time had on more than one occassion forced him to wrap his fingers around his stiffness and a few strokes had eased all his tension. Admitted he had done this on more than one occassion especially if the girl changing her clothes in his shop had been young and pretty but at night in his lonely bed it had been her memory that had given him those nice dreams. And now at last within reaching distance was this fabulous body he had dreamed of and he could hardly wait to take his fill of her.

Looking directly into his eyes she then dropped the last article of clothing and she saw in them a look of delight for since the last time he had seen her almost naked through his peephole it was obvious that she had taken a razor to the fine hair at the top of her thighs, for now as she stood proudly with her legs slightly open he could see the deep groove that ran down between them and the rather puffy lips seemed to have a smile on them. He couldn't resist the temptation so falling to his knees in front of her he pressed his lips to them, and Jean smiling down at his greying hair, thought how lovely this feeling was to have a man paying homage to her sex like this. She threw her head back in delight as she felt his tongue opening up her nether lips and she could have screamed her delight to the roof as she felt it then linger first and then after making sure that she was good and wet it slid gently into her.

He tongued her so efficiently that it was obvious to her that this was not his first time and when at last he withdrew his face from between her thighs she was almost up the wall with desire. She held his head gently as he smiled up at her and then he rose slowly to his feet.

"Alright my love, now it is your turn," and he sank back into a huge armchair and opening his knees he motioned her to get in between them and Jean smiling fondly at him did his bidding.

She marvelled at the size and hardness of the throbbing tool she now held in her hands and as she dipped her head down to it she felt it jerking wildly long before her lips touched it. She too in her younger days had enjoyed the feel of a good stiff shaft in her hands and she had tasted quite a few as well so it was with no distaste that finally she closed her red lips around the shining tip.

Jem lay back with his hands clasped behind his head to savour this enjoyment and Jean knew that she was pleasing him by the way she could feel his stomach muscles contracting at every deep suck of her lips. Her tongue then flicked out as she withdrew her lips and with long, cat like strokes she licked him from the bottom of his ballsack right to the tip of his tool and she gave a start of dismay, he was going to come too soon for she could feel the cum rising along the length of it. She stopped and looked up at him but he said huskily "Let it come, there is plenty more. Don't worry I have to get rid of the surplus before getting right down to it."

It sounded a trifle crude to her ears but the state she was now in he could have used all the filthy words imaginable, so taking a deep breath she bent her head once more and this time she felt the hard shaft jerking almost down her throat. A couple of swift rubs of her fingers alongside it and she felt evey single spurt of him hit the back of her throat.

Swallowing deeply she waited

FELT HIM TWEAK BOTH NIPPLES INTO FULL RIGIDITY

still holding onto him gently and then she gave a sigh of relief. He had been right for there was no sign of any softening and then he gently pushed her back and stood up once again and with his shaft still sticking out proudly in front of him like some medieval lance he led the way into his bedroom.

"Forgive the old bones," he cracked over his shoulder, "but I like my comforts too much to kneel on the floor." and then she knew that this was the time.

Her breasts were her most vulnerable point and as if he sensed this he made straight for them the moment she lay back on his wide bed. She closed her eyes in bliss as she felt him tweak both her nipples into full rigidity and after he had made her spasm more times than she could count he bit gently on them, until she thought that she was going to faint with joy.

She waited expectantly as she felt him climb between her outstretched thighs but instead of lying flat on her like her husband did, this much wiser man just knelt there and then she felt his hands slide under her soft cheeks and she helped him by raising her body to his gentle pressure and she could hardly contain herself when she felt the tip of him just nudging her open. There was no sudden rush into her although she had fully expected it, instead he played her as he would have played a fish, just a little then a swift return, the next time just a fraction deeper and then again the full withdrawal, a little deeper and on and on until she imagined that the next stroke would be his last. But it was not to be, for it seemed that once he had gauged her depths he contented himself with rubbing the open eye of his still jerking shaft against the hard little button that had slid from its sheath.

"I'm coming, oh God I'm coming," she cried out as her whole body jerked madly, and she tried desperately to make him enter her fully, but again he played his waiting game until at last she cried out. "Give it to me, for God's sake give me it all, you're driving me mad," but still his hands held her firmly and suddenly then without any warning at all she felt him ram right into her, she felt his balls bit her squarely and she knew how it felt to be full.

His mood had now changed and she felt him sliding in and out of her so fast that she couldn't meet his thrusts with her own, she was coming copiously now and she felt all her juices running out of her at every one of his withdrawals, then suddenly he gripped her behind so hard that she gave a yelp of pain and he pulled her so close that she imagined that his balls were inside her as well and then she felt the sudden pushing which told her that he was coming too and then she gave a shout of delight when she found that even after releasing all that fluid he was as hard as ever.

Unluckily for her, her husband was only away for the weekend that time but there were other times to come, and come she did for it seemed that this man was an insatiable lover and she would leave his place feeling so on top of the world that all her friends noticed the change in her, but like most women she began to get greedy.

Her new lover had a dress shop so what better than to try and be the best dressed woman in town, his assistants at first gave her so much credit that she knew in her sober moments that if ever he decided to make her pay that even a rich husband like her would baulk at such bills.

So now she had more troubles, Jem too was even beginning to remonstrate with her about her expenses and even though she gave him her body any time he wanted it it was soon obvious to her that things would have to change.

What she needed now was the death of her husband, she thought quite seriously of this, with his money and his life insurance she would be so rich that she could pay off Jem and have a ball for the rest of her life. So it ran through her mind that he must die. She began to plot ways and means to make this happen, poison was out for it was much too risky. No, it had to be made to look like an accident but how?

That was the question. She began to read murder stories but that only made it worse for in every one of them the killer was brought to justice or had to die himself, and that was what she didn't want to happen to her. It soon became obvious to her that a third party would have to be brought in and she soon began to wonder as to who it would be.

GASPED IN HORROR

The first name to cross her mind of course was Jem, was he so infatuated with her, that he would contemplate having her for the rest of his life, and she fondly began to think so.

One night she put him to the test, he was above her and looking down into her face and just at the moment he entered her she gave a gasp of pleasure and then said quietly, "I hate this hole in the corner business, if only I was a free woman we could be married and not keep on having clandestine meetings like this."

He paused just inside her and his mind worked quickly, that was the last thing he wanted, in fact he had been trying to think of a way to get her off his back. He grinned at the thought, and she took it that his mind was working on the same lines as her own, but his smile was that it was the wrong way round. She was the one who was on her back. How could he get all his money back and if possible still have her calling around, he supposed that he could stop her credit but he knew that he would never see any more of her after that and then his mind went blank at her next words.

"If only he was dead I would be free," and with a gasp of horror he knew then what was in her mind, surely she didn't want him involved? Apparently she did for she babbled on about how nice it would be and how rich they would become if her husband was killed, and it was at that moment Jem thought that somehow even if he lost all his money she owed him, he was going to get rid of her.

Sometime later he told her that things were getting bad with his business, custom was slack and now he was having a very lean time of it, his bills were coming in but no cash to pay them, at this rate he would soon have to cut his losses and move to a less expensive part of town.

"Something will have to go," he groaned in mock despair. "Please darling, take it easy with your demands." She pouted at this and the she brightened.

"If only I was free I would have plenty of money and I could pay you back all I owe you and we would still have plenty left," and yet in her cunning mind she thought that if she could get him to murder her husband she would throw him to the wolves, with that kind of money she could take her pick of much younger and handsome men.

It was two months later that he came up with his idea, and during that two months he had made many plans all of which he had discarded as being impractical, all except one and he had to take a confidante in to make it work. He had made tape recordings of her asking him to get rid of her husband and the man listening to them gasped in horror at some of her suggestions as to how to get rid of the body and he quickly agreed to a plan by Jem to turn the tables on the would be murderess.

Making coffee in the kitchen that night she put in the power that Jem had given her.

"It is alright," he grinned as she protested that she wanted him to do it. "Give him that and then call me, I'll get rid of the body in the river. No doctor can say that he was poisoned, I have a friend who is a chemist and he was telling me about this stuff and I waited my chance to steal just enough of it to get rid of your husband. He will be found dead in his car in the river with his stomach full of whiskey. Accidental death," then he grinned. "Poor man, he had too much to drink and drove right into the river."

The coffee tasted bitter, but then she had made it so strong as to hide the taste of the powder, and then she began to feel a little queer and she looked up to find her husband watching her carefully and as her head began to droop he went to the phone and after getting the number he dialled he spoke into it.

"Right Jem, as you said it is taking effect almost at once. It's a good job that I switched cups otherwise she would have been laughing in my face right now," and then he looked across at his wife. "That was your ex-lover, he's coming over shortly and we shall have to pour some whiskey inside you before we put you in the car."

She tried to get to her feet to pick up the phone but she hadn't the strength and she fell just short of it and lay there looking up at the man she had tried to murder. He gave a smile of triumph.

"Darling, you shouldn't have been so greedy, Jem and I talked it over and even a divorce would have cost me a mint so this was the only way. Can you hear me?"

But her eyes were closed for ever. ●

THE ART OF PENIS ENLARGEMENT

By Dr. John Kroeger

Penis enlargement is NOT just a phalacy, it is a PROVEN FACT, another fact whether he admits it or not is that EVERY normal man wishes his penis was BIGGER, irrespective of how big it already is. As we all know the penis basically is a mass of spongy tissue consisting mainly of blood spaces. When only a little blood is inside the spaces, the penis is SOFT. When blood is pumped in the penis ERECTS. Erection, then, is caused by excitement of the male to which he produces the flow of extra blood into the tissues or veins within the member. If these veins could be enlarged – and we know they can – then more blood will enter the penis and it will become bigger. Additonally, strong muscles surround the base or root of the penis. and by contracting, help retain the blood in the head and shaft of the penis. Clearly, the stronger and better trained the muscles become, the longer and better the penis is able to erect, and remain erect for far longer periods. This conditioning or training of holding more blood in the member can easily be developed by regular use of the CORRECT type of vacuum developer or enlarger and coupled with a descriptive step by step guide of full instructions on the methods of using developers in conjunction with penis exercises, any normal healthy male of any age cannot fail to ENLARGE HIS PENIS and develop the art of MAINTAINING A STRONG ERECTION for any duration of sexual pleasure.

In my many years as a doctor and consultant sex therapist I have been inundated with problems on penis size and performance, so as now retirement has given me the opportunity to pass on all those years of accumulated knowledge to branch out into the field of physically helping the public. Firstly I have with the aid of many staff, put together what I know to be the finest, best quality tested developer and literature available in the world today– all I leave you to do is choose the correct item that suit your individual requirements and pocket from my guaranteed selection below. Just think! The man who possesses a fully enlarged, fully trained, peak performance penis need not worry how a woman will compare him with other men. He will know well enough from the actions of her body and the look on her face.

This will have its effect not only on his relationships but on many other aspects of his daily life and work. He will have more confidence in every way – because he will be MORE OF A MAN.

TYPE A DE-LUXE VIBROSUCK (10"-12")

(Electric) These pumps are vibrated by battery operated motors. The unique feature is that during use the male can achieve unbelievable heights of pleasure from the vibrations sent to the head of the penis. This will ensure a strong blood flow to the penis head and also maintain a good erection whilst normal suction of the pump promotes growth and strength of the penile shaft. This item also comes with Spanish Fly and Hard on Drips.

TYPE B JUMBO STROKER (Sauna Action) (10"-12")

This model is water filled incorporating a special penis gripper for constant stimulation. The feature of this pump is the extra power suction chamber which is totally separate from the pump and can be used by the male or female, and being piston operated will ensure a far greater degree of suction than by conventional bulb operated pumps. This item comes complete with lubricating cream, and further more lends itself to comfortable 69 positions when operated by a partner.

TYPE C PISTON ACTION STROKER (12"-14")

Conventional tube design but with special penis gripper for added sensation and built in extra power piston suction chamber. (Full instructions and lubricating cream supplied).

TYPE D SAUNA ACTION PUMP STROKER

This pump differs to any other, by the fact of its newly developed full length rubber penis sheath. It works on the same principle as a womans vagina, completely encasing the member whilst surrounded by warm water. Coupled with the power pack suction bulb it can achieve extremely quick results in growth compared to any ordinary developer. The sensations of this pump are unbelievable, as it is like having the penis sucked into a warm vagina and the male user can easily be brought to a climax with complete confidence as the specially protected sheath ensures complete protection and hygiene even when used as a masturbation method. (Full instructions and lubricating cream supplied.) (Sizes in brackets refer to penis size desired).

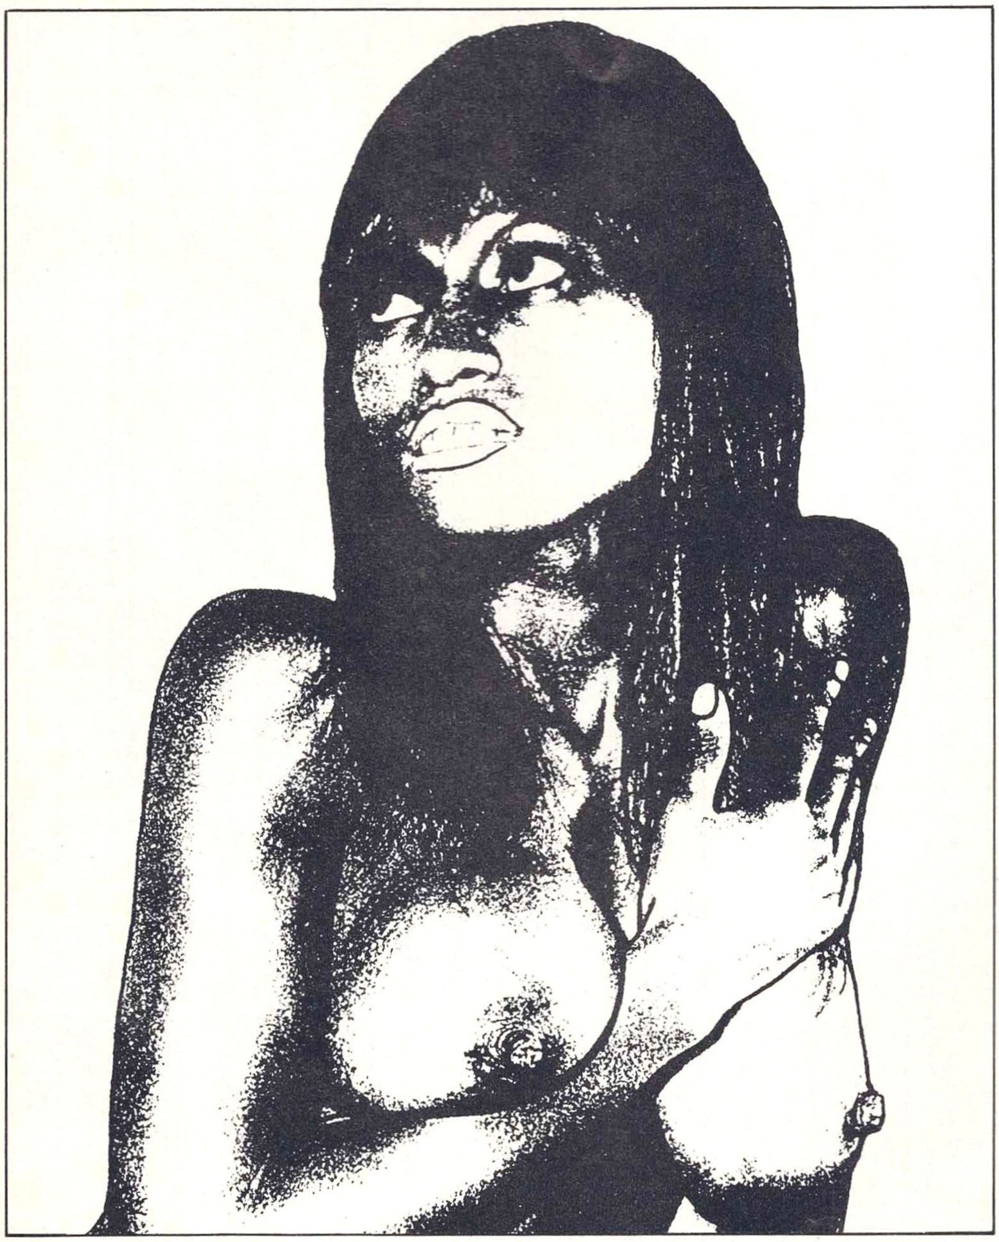
Fear of sexual inadequacy is a very real deterrent to healthy physical relationships. Temporary impotency can often overwhelm a man when the subject of his sexual desire is also simultaneously an object of virtual worship. The girl in his arms then becomes psychologically beyond his reach, and he may fail to achieve the desired physical link both of them seek.

BLACK SEX



I was so knocked out when Dulcie agreed to come out on a date with me, that I just couldn't believe it. She was the most beautiful girl around, black-skinned with thick glossy coal-coloured hair, richly sexual to look at, I'd dreamt about her for nights on end, and now had the chance to screw her.

Or so I thought! When the time came, I didn't dare touch her, my hands shaky at the mere thought. I knew why, of course. I was worried that I wouldn't match up to her exciting demands.

I managed to stammer out another request for a date, ignoring the rather annoyed look in those dusky eyes. I knew she wanted to be fucked, but I couldn't!

This went on for a month. Lord knows how I stood it, or why Dulcie continued to go out with me. It was agony wanting her, my cock getting stiff everytime I saw her, aching to be buried in her erotic loveliness. And the more I chided myself for not getting on with it, the more scared I got about trying to rectify matters. It wasn't my fault I felt so damn inadequate. She shouldn't look so bloody marvellous!

Then thankfully, Dulcie took over. Shock treatment was the answer, and she gave me that all right!

After arriving at her place for our usual Thursday night date, I could tell by the dark flash in her eyes that she'd worked herself up into an anger about something. I followed her into the room. She was only wearing a long cotton housecoat, tied loosely about her curvy voluptuous figure. Her bum filled it out nicely, and my cock was just appreciating the full rounded spheres, when Dulcie turned on me.

"I've decided not to go out with you any more, Tony," she stated crossing her arms definantly beneath the twin balls of her breasts.

Oh! I wondered why she wasn't ready, but...

"You're nothing but a pansy," she went on.

"What!"

"You heard."

Her eyes narrowed as she stuck her head towards me. "I'm fed up with your excuses. I want a man to go out with, not a mouse!"

Then she got sarky, mimicking me. "'Fraid I've got to have an early night. Got a cold. Worried about work. Had too much to drink, I tell you Tony, I've heard enough. You're a pansy all right, so don't bother taking me out!"

My hands curled tightly into my fists by my sides. So that was the impression she got of me. And now she was taking the piss, the bitch! My cock sprang to life in retaliation, probably because Dulcie looked even more desireable when she was annoyed, but also to prove a point, a big hard one!

I wanted to grab her and throw her down, bore my solid length up her, but before I could do that, Dulcie had dropped her housecoat, revealing her naked beauty, and was sitting on the sofa. She hoisted her knees to her black nippled breasts and her heels to her bum. Her legs were pulled wide apart as she

The kind of love as dark and soft as the shadows.

looked at me with a glinting defiance to touch her. But how could I ignore that pinky oily slit gaping through the thick curly fuzz between her thighs? Or the sexy pout on her full handsome mouth?

It was either now or never, I told myself. Do or die.

My cock was knocking to get out of my pants, so I undid them and pulled it free. Then I pressed onto her chocolate figure, the veins in my temples bulging out, coursing with injury at her insult. She groaned when I pushed my prick home up her dark hole, locking it tightly inside her. Then I began to core her slowly and deeply. I'd teach her to take the piss out of me. Pansy or not!

Dulcie's face was screwed up. At first I thought it was in ecstasy, and then realised it was in abhorred pain. What was the matter with me? I was just using her, my senses coloured by all that had ridiculed me lately. She didn't want this, and neither did I. Not yet, anyway! Dulcie needed to be kissed and licked first, sucked and caressed, stroked and poked with my fingers before my cock got anywhere near her. I was behaving according to my fears of being inadequate! I had to show her that I could make love to her. That I was a man! I'd screw her until she screamed out for more!

I yanked out of her and buried my face in the warmth of her soft black belly, kissing and licking the pit of her navel. She didn't utter a word for a while, then began to moan quietly when I reached up and fondled her breasts. They were full and pliant in my fingers, her skin feeling like thick velvet. I rolled her tits for a bit, and she gasped lightly. Then she spoke again, all her taunting gone.

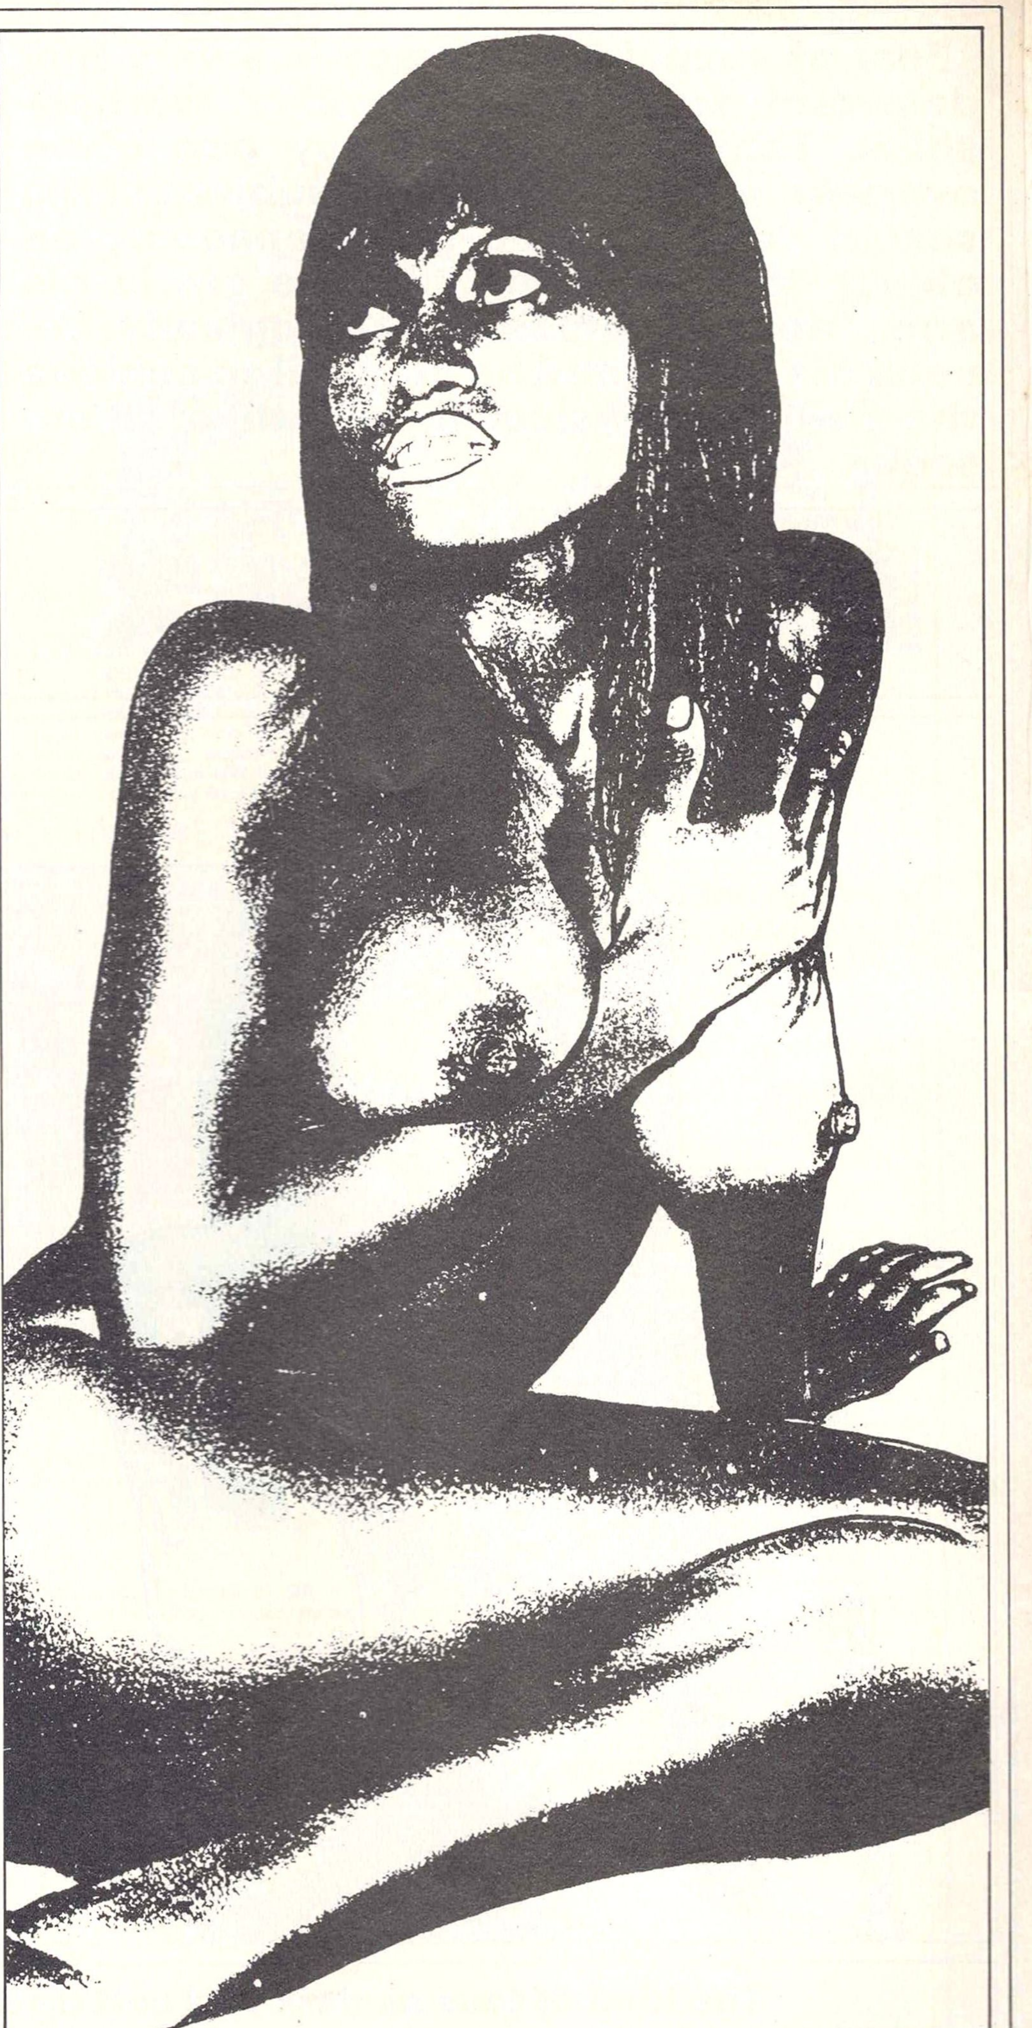
"Oh Tony," she murmured. "That's real nice."

Her encouragement sent a flow of warmth through me, and I rose up, pressing my chest firmly over her round boobs as I kissed her. Her long dark pink tongue intimately entwined with mine, and she sighed up to me. Roaming her hands up and down my back. My still stiff cock throbbing gently against the cushion of her belly.

Dulcie heaved and rolled her head when I lowered my face into her cleavage, and moulded her satin skined boobs against my cheeks. I thumbed her nipples, making her groan again, and then I tweaked and pinched them. Gradually they swelled up like hard pieces of coal, and my itchy fingers twiddled them more rapidly.

I pushed a tit into my mouth and sucked it. Dulcie gasped out and writhed beneath me, her soft belly gently lurching under my prick. It sent excited ripples along it, making my tip ache and dribbled and a deep yearning to run down between my thighs. God, I couldn't wait to get shoved back up her black pussy again, to feel its wet, silky muscles enveloping my cock, sending hot pulsations through me. But I made myself hang on. I had to give Dulcie some pleasure first. Prove that I was a man.

Her breasts bulged out over the tight grasp of my fingers, her tits striking up crinkly and stiff. I gazed at them, drinking in their sexy loveliness, and then licked them too. Dulcie



caught her breath and gave out a small shriek, wrenching her head more excitedly from side to side now, twisting more feverishly beneath me. Her hips tossed against mine and her long legs shoot out spreading wide, stretching and flexing with the fevered desire which burned in her pussy.

I grabbed her waist, pouring kisses over her beautiful boobs, dropping my lips over her squirming belly as I dragged her down with me to the floor I lay over her again, pecking her soft black neck, her ears, our bodies rocking in the fervour of mounting passion while I wriggled my arm down between our cleaving tummies and thrust my hand against her hot quim!

God it was wet, and so boiling! Quickly I prised part the luscious thick syrup coated lips and drove my finger right up Dulcie's hole! She clung to it for dear life, squeezing her pussy sheath tightly around my digit, tugging her slim body from side to side as she murmured loudly.

I caught a wild nipple between my teeth, sucking avidly while I briskly thumbed Dulcie's long erect clitoris, still grinding my finger its full length up her. She jerked her juicy pussy this way and that, urging me to jab her faster with my finger, so I did! I shoved three up her, hotly nibbling her glistening belly while I eased down between her parted restless legs. Oh, Christ. She was getting really excited! I just hoped I could lick her off so that she'd come!

My cock throbbed with lust desire, sticking out painfully big and sore as I crouched between Dulcie's silky black thighs and pulled apart her bushy covered sex lips. Jesus! What a sight! Her slit winked at me like a large eye, sparkling with juices, the colour of that sopping wet flesh pinky bright!

I hooked my finger into her hole again and wriggled it madly, snapping her thrusting big clitoris into my hot mouth and munching it greedily.

Dulcie was in a fever. Writhing like a large black python! "Suck me more, more!" she shrieked. "Put your tongue up my hole! Oh Tony, baby. That's marvellous, oh, marvel... ohHH!"

She shook all over. Her slender legs jabbed high into the air and a blissful smile replaced the shock of pure amazement on her face as soon as she'd finished orgasming. My blood raced happily. There was nothing to it! I'd made her come, and I'd do it again!

I realised that Dulcie didn't demand anymore from me than any other girl I'd fucked. She wasn't a goddess or a bombshell after all, but an ordinary very desirable black girl, who turned me on no end!

She murmured deliriously while I made a meal of her pussy licking all around her clitoris and up her juicy oozing hole until yet another shudder ran down her legs and she arched up her back, purring in ecstasy!

My cock quivered with burning excitement, my balls hanging with a heavy ache beneath them and my thighs tingling to fuck her. I was just contemplating the point, sitting back on my haunches, my hands on Dulcie's knees as I gazed down at her convulsing wet

BLACK SEX

hole, when she lunged forwards and grabbed my prick!

Arghhh! Her hands curled tightly round it, squeezing it hard. Then she pulled on it gently, softly stroking my enflamed seeping glans as she tipped her dark face up to mine. Our lips met and our tongues rolled together. I grasped her shoulders firmly in my hands so that her sharp pointed tits stuck into my chest. But she continued to caress my damn cock, making it and my big balls cry our for release.

With a tiny smile on the corner of her lips, she looked down at it. I did too. The sight of her long black fingers coiling around my stiff white member nearly sent me bonkers. She ran her fingers up and down it, sliding them on the thin veil of sperm which coated my bulging prick, pushing it between her knuckles and rolling her palm over the top again. Then she held my balls lightly and sank down to my cock. The feel of her warm wet mouth engulfing my full seven inches of hot flesh practically made my brains explode!

I glanced down, groaning. Her sensuous dusky lips slowly dragged over my pearly stick. She took her time about sucking me, and rolled her tongue everywhere, tracing the network of my throbbing veins, and then softly pushing it into my dilated hole! I reached out and managed to caress Dulcie's breasts again, lightly tweaking the hard tips. As she began to moan from the throat, I pushed her hands and mouth from my trembling bollocks and pressed her onto her back.

A deep sigh escaped her full open mouth when I slid up her, not roughly and angrily like before, but slowly and gently, making sure she could feel the whole strength of my big cock, swollen up to a huge size just for her!

I could feel her sex lips clamp tightly about my roots and the fuzzy pussy hairs surrounding them. Dulcie stretched back her smooth black neck, lifted her long black legs and folded them firmly around my coarse white hips. Then, locked together, I started to grind into her, gradually at first. But the more she squirmed, the harder I dug, stabbing up her to the core, filling up her narrow pussy sheath with my lusty solid cock!

She flicked her head and banged her fists against the floor, humping and twisting her shoulders in a mad frenzy. She groaned and screamed when she came, and it was a strain not to let go as her wash of hot juices flowed over my embedded prick. Dulcie was a woman of passion all right, and it was me giving it to her!

I hung on for as long as I could, but by her third come, when she squeezed my prick so tight with her contracting syrupy sheath, I just couldn't keep it in any longer. I was going insane. My sperm spurted out in a series of wild jets, draining me of the torturous lust which had been burning in my loins, washing it with a rippling tide of blissful relief.

Well, I proved to Dulcie that I wasn't a pansy, not that she really thought I was anyway! But I also proved something to myself, not to be put off by beautiful sensual girls. They're only human, after all! ●

The modern youth will pooh-pooh romance, saying that it died with crinolines and horse drawn carriages. Even so, most young girls of today cannot deny that they spend wishful moments fantasising of a romantic lover, who will sweep them off their feet, and fulfil all their dreams about love as it should be. How, then, can we criticise Tina for making her one dream come true by hiring a male escort, when it left her gloriously contented and satisfied in mind and body, and enabled her to face up to the realities of life without any regrets?

MALE ESCORT

I was so excited that I thought I would burst! After months of saving up the money, now, at last, I'd bought the dress, fixed the hair appointment and chosen the man. Why? Because I was going to pamper myself delicously with a glamorous and romantic night out.

It was this advert for a male escort agency which gave me the idea. I was so fed up with my regular boyfriends whose imaginations and finanacial resources on a date stretched only so far as the local flea-pit, a plate of fish and chips at Joe's Cafe and a quick fumble and fuck in the back alley, that I felt I could scream with frustration and disgust. Ugh! A girl needs to be coddled at least once in her life, even if it's just to be convinced that chivalry hasn't died!

Surprisingly, I didn't have any qualms as I flicked thrrough the agency's files and selected my man. George, his name was, and terribly handsome with it! My pussy quivered as he smiled back at me from his photo, and I desperately hoped that he was even better looking in the flesh, was that possible?

My tingling excitement was marred only by the knowledge that although George was my choice, I wasn't his! He was taking me out because I'd bought him, not because he liked me. But what the hell! I could always pretend that he was madly in love with me, and anyway, I just knew the evening was going to be a success. I could feel it in my bones. I just prayed that I hadn't wasted my money on a dud. I mean, if he was impotent or anything, well, that would be simply awful!

But I needn't have worried. The evening was all that I had longed for, and more! And George was all that I had longed for too! His thick wavy hair was sunbleached blonde, his skin smooth and bronzed, his shoulders superbly broad and his eyes the colour of the beautiful South Seas. He was ever so polite too. He held doors open for me, took my coat, pulled out my chair, stood up when I went to the loo and lit my ciggies for me. It was lovely!

"I've enjoyed the evening terribly much," I told him when finally, gloriously mellowed on marvellous food, loads of wine and endless dancing, he dropped me back at my digs.

He smiled, his even teeth flashing white and his bright eyes sparkling like tiny blue diamonds.

My fanny lips fluttered deliciously and I knew I just couldn't let him go. I wondered if screwing was all part of the service, but I daren't ask him outright. And oh, how I wanted to be screwed by him! I mean, what's a better ending to a romantic night out for a girl, than a fabulous fuck in bed?

"Err, won't you come in for a coffee?" I ventured, pouting my full, wide lips.

George's eyebrows lifted slightly, then dropped over my thrusting boobies. My titties felt like brown bullets under my long, halter neck dress, and his lingering gaze made them harden even more!

Then, fantastically, he lightly cupped a bristol in his finely manicured hand and gently rolled his thumb over the pointing, aching nipple. "If you want me to" he said softly, gazing directly into my eyes, making my knees go all weak like jelly.

"Oh! If I wanted him to! What a thing to say! Of course I did!

By the time we reached my room, I was quivering all over with excitement and my

He made her dreams a reality – and reality a dream!

pussy was so hot, the little triangle of hanging hairs so damp, that they were clinging together like diminutive jungle vines.

He pulled me into his arms and my body throbbed. Then tenderly he licked my nose, then my lips, kissed each eyelid in turn before kissing me. Oh, Heavens! It was fabulous! Exquisite thrills of delight shivered in my clitty. And he wasn't impotent! I could feel his horny cock lifting and digging into my tummy as I pressed up against him. It was all so lovely because he seemed so huge! My fanny lips trmebled at the thought of taking him inside. Like me, they could hardly wait!

My skin fluttered with little tremors when George eased down the zip of my dress and his tongue wetly lolled round mine. It was such a change from having my skirt whipped up and a thick prick jabbed up me that I simply melted into ecstasy, closing my eyes and murmuring light headedly when his soft, sensuous lips sucked on my stubby, stiff titties.

"Oh George," I gasped. "This ain't half nice."

With a mouthful of tit, he could hardly reply, now could he? But as my tummy slowly churned over and over while he licked all round my bobbing boobs, he pushed down my dress and squeezed my trembling buttocks. I never knew anything could be so super!

I started on him, then, sexily unpicking his crimson bow tie and pushing his velvet jacket off his wide shoulders. Then, as I pulled open his frilly shirt, my clitty tingled dizzily. Lots and lots of lovely crisp blonde curls covered his chest and my heart danced with joy! He was a real man, there was no doubt about that, and I just couldn't stop myself from twisting my fingers in his soft curls, then hugging him tightly to me. The night had hardly started yet, but even now I didn't want it to end!

Then I felt the floor give way beneath me as George gently lifted me up and carried me towards the bed. I lay there, happily wallowing in what was to come as he stood back and stepped out of his trousers and pants so that his beautiful cock stuck out, marvellously thick and streamlined from his crinkly, bushy pubics.

Oh! I whimpered and purred when he lay beside me then, and kissed me all over. His moist lips and tongue went everywhere, searching out all my sensitive spots, tickling my ears, hovering over my heavily aching boobies and caressing the backs of my knees. Mmmm, it was delicious. I felt like a pampered kitten as his mouth kissed a pathway up over my tummy again while he moulded my tits together and squeezed them, until my titties swelled and stiffened even move, and my clittie suddenly hardened with sexy excitement.

"George..." I moaned. "Oh darling." Then his soft lips were round my teats once more and he suckled them ever so tenderly, his lovely wet tongue rolling round them until waves of giddy delight washed over me and I cried with ecstatic pleasure.

My hands were stroking his velvet smooth brown back and caressing the twin, white skinned orbs of his gently writhing buttocks while he gyrated his wonderfully stiff organ over the frizzy haired mound of my sex. Pussy was dribbling hot droplets of her sweet juice and I was just yearning for George to tickle my throbbing clittie with his finger, so that I squealed and squeaked with joy.

Well, he tickled it all right, with his tongue! And what a bliss that was!

Oh, he was a beautiful Ivoer, he really was, His tongue all red and long, licked my little fanny button like it was a hanging cherry.

"Darling! Darling!" I cried happily. "More, please!" Oooh!

Scruffy Bill Jordan, the pump hand at the garage never kissed me like this, all he ever wanted was for me to suck him off, selfish pig!

But Geroge well, he was a real gentleman, wasn't he? I could tell by the way his tongue politely worried its way into my little hole and delicately tasted the walls of my vagina, that he has manners.

Oh George! No! Fabulous! His tongue was working on my clittie again now, ever so much more ardently than before, and his hands were plucking at my nipples, then crushing my jerking buttocks, now squeezing my hot, tremoring thighs as I wriggled and gasped while his tongue plunged wonderfully in and out of my love bud.

I was shuddering from head to toe, my flesh was shaking misting again and agian with orgasmic dew. Oh, it was wonderful, wonderful! I'd never had so many comes before, except when I'd tossed myself off. Speak to me, George, say something please!

"God! I'm going to fuck the arse off you," he gasped, before driving his tongue deeply into my mouth and kissing me again, hard.

Oh, those words! Weren't they lovely? I know they're only what Bill would say, but spoken by George, they sounded so passionate.

Then I felt it. The rounded, fleshy stump of his prick jabbed blindly against my opened, darkly pinked and quivering sex lips until, with one sudden and searing thrust, he plunged into me.

White hot streaks of ecstasy shot through my body as I clung to him, locking my legs more firmly around his jerking waist as he grabbed my buttocks and lifted me deeper and deeper onto his lust stiff cock. Raving with demented joy, I threw my hips up against his, meeting his frantic slamming strokes in the wild, frenzied rhythm of sex until I was coming again! Screaming, I beat a vigorous tattoo against the mattress with my threshing arms, hollowed my back and slung my head from side to side as his orgasm, explosive and thunderous, took me like a raging storm.

"George," I whispered afterwards, my felsh throbbing deliciously while, groaning himself now, he wrapped my boobies round his glistening cock and shafted back and forth. "Do you always do this for your customers?" I asked my arms crooked behind my head as I studied the seepage trickling from his little slit.

"God no!" he croaked, "But you, you're so bloody sexy! I just had to!"

Oooh! What a compliment! I just loved the way George knew how to treat a girl. Pity Bill Jordon wasn't like that. He never said anything nice to me.

"Oh George please. Stop it! You're making me come again. Ooooh?!"

His tongue had whirled round my clittie and slashed up my hole, and now I was trembling once more from yet another shattering climax as he tossed me onto all fours and shot up me from behind.

Every beautiful thrust of George's magnificent prick set my belly shuddering with a vibrant heat. And as he lunged forwards and fumbled my titties, I rammed my quivering buttocks hard against him and his wonderful sex pod burst, spilling his liquid seed into me, filling my convulsing body with is hot, gushing sperm until with one final jerk, he yanked out of me and we tumbled, shagged out, amid the crumpled sheets.

I'll never, ever regret all the money I spent on that one fabulous night out. But I won't get the chance to do it again because I'm saving up to marry Bill Jordan. Mad? I suppose I am, but I really do love him, see? Even if he is an unromantic bastard! ●

LADY CAN'T SAY NO
VIBRATING PENIS

A viciously effective 'whip-hand' stimulator (available in black or white), as favoured by the ladies of the Brazilian aristocracy. Its unique snake-like action mercilessly activates the nerve endings of the vaginal orifice, nerves which are by-passed by the conventional vibrator (which is active only at the tip).
This unique action also stimulates the lubrication duct, and women who 'thought they knew themselves well' report a massive increase in fluid emission, after just a few moments alone with the Vibrating Penis. It is contoured according to the penis of a donkey (which has more pleasure-giving bumps and ridges than the human penis), but is sensibly proportioned at 7½ inches long. Until very recently, the Vibrating Penis was a black market item selling at £10 or more, but we are able to offer this brand new concept in female stimulation at the more reasonable price of £3.99 post free.
AVAILABLE IN BLACK OR WHITE

SEX BOOST CREAM
To be rubbed on the male penis before intercourse and on the female vagina. This cream lubricates AND intensifies the sexual pleasures of intercourse. GUARANTEED TO TURN ON ANY WOMAN, a real passion raiser! Would turn a nun into a nympho! £3 a jar.

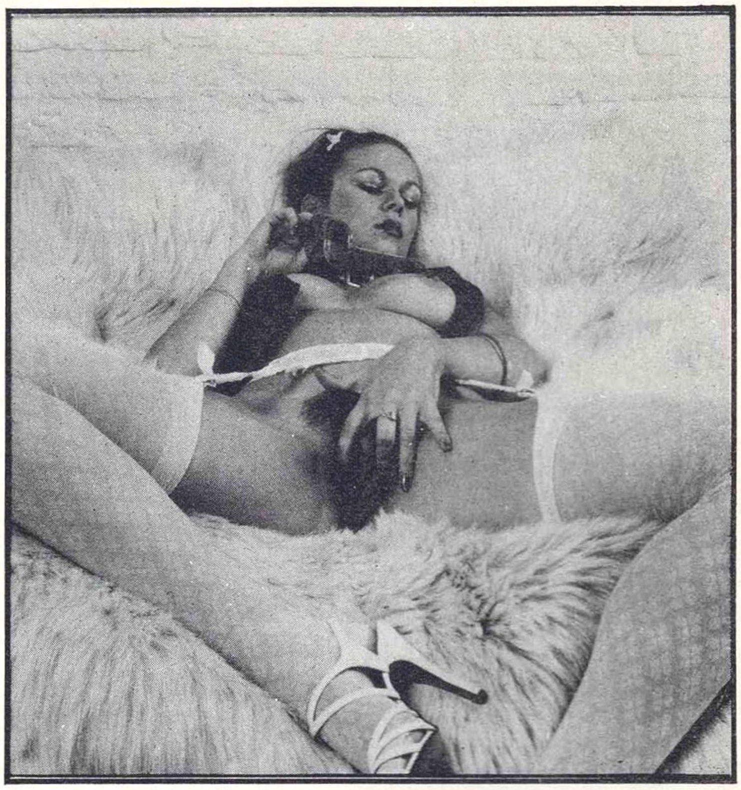
HOW I PLAY WITH MYSELF



Female masturbation is always a favourite topic with our readers – judging by the vast amount of mail we receive on the subject. We thought we would ask some models who have posed for this magazine, just how they masturbate. They were more than willing to tell us. So without further ado, let's hand you over to those lovely girls who grace the pages of this magazine and let them tell you how they wank, and why, and what with.

GLORIA

The first girl is Gloria, you may have seen a photo spread of her in this magazine just a few months back, she was the one holding her pussy wide open while taking a shower. This is what she told us about her wanking habits.

"Of course I masturbate. Every single girl that I know does. It goes without saying that I prefer a fuck to a wank, but there are times when there isn't a man around to help me out and that is when I wank.

"You see, I get randy lots of times, and if there is a man handy then I drag him into bed, but if there isn't then I have to do something about that randy feeling right away, and the only thing that I can do about it is have a good wank.

"I have wanked off with lots of things, but when it comes down to it I find that my fingers are the best, the feel of my own smooth flesh inside my cunt hole, and that is a feeling you can't get if you use a wanking impliment.

"I usually wank off naked. Well, what is the point of doing it when you are dressed, and anyway, if I just shove my hand under my skirt I find that I produce so much pussy juice when I wank that my skirt gets ruined.

"So, when I feel randy, and this is usually in the morning when I wake up. I just stretch out on the bed stark naked.

"I don't rush things. I find that if you are going to wank then you should do it nice and easy at the start, and the more I work myself up before I actually wank then the better the orgasms I get as a result.

"So I stretch out stark naked on the bed and then run my hands all over my body, I do this nice and slowly, as I said, and soon a tingle of pleasure goes through me.

"Then I concentrate on my boobs, I have really huge firm boobs, and I play with them, and really tease at the nipples with my fingers, and by this time I can feel myself creaming up inside my cunt hole, and when I think that I am wet enough inside my pussy, that is when I move my right hand down there.

"I don't shove my fingers in right away, for that would be rushing things too much, I just start off by running the tips of my fingers up and down my cunt lips, enjoying the way the juices drip out over my fingers.

"Of course, like most women I know, I just love the taste of my own cream, and so, every few seconds, I take my hand from my cunt and then raise it up to my mouth and use my tongue to lap the juices from my fingers, and you know, there are times, when I'm feeling so randy, that just tasting my own pussy cream like that makes me come.

"Well, after a few tastes, I then rub even harder, and when my cream is really flowing, when my cunt is really red hot and randy, I then slip two of my fingers inside my cunt.

"I never use more than two fingers. When I use three, or when I used to use three, I found that it meant it was too tight a fit, I couldn't bang my fingers against the side of my cunt walls, so by using two fingers I am able to ripple and rasp them against every single part of my cunt walls.

"I push my fingers all the way into my cunt, and I do mean all the way, I shove them in as far as they will go, and then I close my eyes and try and imagine that my fingers are a stiff thick cock.

"I waggle my fingers about inside myself and then start to thrust them in and out, and as I do that I always feel my juices boil up, and when they are really hot, and when my fingers are really hammering in and out of my cunt, so great loud slurping sounds come from the depths of my cunt, and that is a very sexy sound indeed.

"I also wank slow and then fast, and then slow again. Varying the speed like that gives me a lot of pleasure, and then, everytime that I feel an orgasm coming on, I shove really hard, as hard as I can, and this gives the orgasm, when it arrives, an added dimension.

"I wank off until I have had at least ten good orgasms. Yes I do mean ten, well, I see no pint in playing with myself just for the sake of one or two orgasms. When I wank off I want to have as many climaxes as possible.

"My wanking usually lasts for about five to six minutes, and by that time the juices have poured out so much from my cunt, that the sheets on the bed are soaking wet.

"When I think that I have had enough, I then take my fingers from my cunt, and I take them out very slowly, and as the tips of my fingers come out of my wet pussy, so there is a lovely plopping sound, and after my fingers are out, I find that more juice rolls from my cunt.

"My cunt is hot and wet for ages after I have wanked off, and my cunt lips really stay puffy and swollen with desire for a good ten minutes afterwards.

"I don't get up right away, I just lay there, licking the juices from my fingers. Sometimes, when I am really randy, and when I don't have a modelling session to go to, I will wank off all over again.

"I suppose that some people think that I am a little naughty wanking of like that. So what? They can think what they want.

"But I must admit, that although wanking is great fun, there is nothing quite like having a good thick cock inside my cunt hole, for although I get very good orgasms from wanking off, I get the best orgasms when a man is on top of me thrusting deep and hard into my cunt with his hot cock."

Well that was from one of our models who uses her fingers when she plays with herself, and most models do seem to prefer their own hands when it comes to pleasure, but as you may guess, other women use other things.

TINA

This next one comes from Tina, she has been in our magazine, she was the one featured in that great lesbian set we published a short while ago. We asked her how she wanked and what she used, and this is what she told us.

"I used to use my fingers, but found that they were not long enough. You see, although my cunt tube is very tight, it does seem to go back a long way, and to get really good orgasms I have to have my cunt filled up right to the very depths, and as I have said, my fingers aren't really long enough to do this for me.

"That is why I use a dildo. I suppose that I could use anything that is long and thick, but I have found that a dildo suits me best.

"I suppose the reason for this is that the dildo is shaped like a cock, and the best thing any woman can have inside her cunt hole is a cock. I know that I fuck with men as much as I can, but there are times when the man is too tired, when I have to wank off to get the orgasms I want.

"Yes, a dildo is what I use, and I use it standing up. Yes, I know that sounds silly, but I have found that by wanking myself while I stand up against the wall that this gives me really intense orgasms, and let's face it, when a woman wanks herself off she wants to have the best possible orgasms.

"Let me tell you how I wank off – in detail – and then you will see what I am getting at.

"The dildo that I use is over ten inches long, it isn't that thick, but it is long, and that is the important part.

"As I have said, that thing his shaped just like a cock, the shaft is sort of ridged and bumbed, and feels just like a cock when you run your fingers up and down it, and at the end of the shaft is a pair of nice hard balls.

I suppose that is another reason why I prefer a dildo, for the balls make it that much more easier to hold when you are wanking off.

Well, I make sure that I am naked, and then I stand up against the bedroom wall, and I make sure that I stand opposite the full length mirror on the other wall, for truth to tell it gives me a great kick to be able to look into that mirror and see myself wanking off like that.

"I stare at myself in the mirror, and then I hold the dildo by the balls, then I bend at the knees so that my cunt lips gape open, and then I push the head of the dildo into my cunt, and as the rest of the shaft of the dildo goes in so I crouch just a little lower, and this allows me to get more penetration, this means that the long dildo goes as far as possible into my cunt , and as I have already mentioned to you, I only get really good orgasms when I have something really deep inside my long deep, tight, pussy tube.

"When the thing is all the way in, when the balls of that dildo area pressed tight against my cunt lips, I stand up, and then I look in the mirror at myself, and then I start to work the dildo in and out of my tight pussy hole.

"Watching myself gives me great pleasure, and I find that even when I wank off very slowly that it only takes twenty seconds or so before the first long orgasm goes through me, and then, as I speed up the wanking, so more orgasms go through my body.

"I push that thing really hard into my cunt, push it in really deep, and soon my juices start to spurt out and go all over my hand.

"Standing up like that means that my knees shake and tremble as I wank, and in fact my entire body sort of shuddered each time I have an orgasm.

"Being in that position means that I can last for about five minutes and then that's the lot, but in that five minutes, as the dildo rams in and out of my cunt, I have as many orgasms as I can handle.

"I always suck my own juices from the dildo after I have been fucked. I used to think that this was a very kinky thing to do, but then I found out, by talking to other models, that they all do it, for I adore the taste of my pussy juices."

That is something I'm sure we'd all like to see.

JENNY

Well, let's move on, and listen to Jenny. Again, like all the ladies featured in this article, she is a model, so far she hasn't appeared in our magazine, but she has just posed for a picture set which will be published in a couple of months, and we can assure you that it will knock your eyes out when you see it.

Yes, she does masturbate, quite often in fact, and this is what she had to tell us about it.

"Wanking is one of the main things in my life. The other two are making it with men and women. Yes, like most models, I am bisexual.

"The only trouble is that while a man is fucking me I find that I can reach an orgasm very quickly, I find the reverse to be true when I am wanking to make myself come, and as this is the case, I have recently been trying out different things inside my pussy.

"If I were to give you a full list of all the things that I have pushed inside my hole, then I am sure that you would be shocked.

JENNY

"However, right at this moment, in fact I have just used it, and writing this as I am, my juices are still streaming from my pussy, I am using a banana.

"Now I know that a banana is supposed to be a really kinky thing with which to wank, but I can't help that. I have found that, at this moment in time, a banana is the only thing that will give me a good orgasm when I am wanking.

"I suppose, like most women, I much prefer a cock inside me to anything else, and so, when I have something other than a prick inside me it is is difficult to come. But the nearest thing I have got to the sort of orgasm I get when a man comes inside me is using that banana.

"I tried it out quite by accident. I was out shopping, and I do like fruit, and I bought some bananas. Then, when I got home, I felt randy.

"I went to bed and stretched out naked on the sheets and pushed two fingers inside my cunt and started to wank, but although my juices started to bubble, although my cunt got hot and wet, although my clit grew very hard and erect, I didn't have an orgasm.

"This made me mad, for I wanted an orgasm very badly indeed, so I got off the bed and padded round my flat looking for something that would help me out.

"In the kitchen I saw the bananas, and the thought went though my mind that I had read somewhere that there were women around who used them for wanking.

"Well, I needed an orgasm so badly at that moment in time that I thought I would give it a try. So I took the biggest banana back into the bedroom with me, and once again I got onto the bed and opened up my legs.

"I held the banana in my right hand and gently touched my cunt lips with it, and it felt nice. In fact it is hard to put into words how nice it felt, and I had the feeling right there and then that the banana was going to be the answer to my problems.

"I rubbed one end of the banana up against my cunt lips, then rubbed some more, then worked it up and down, and I was pleased to find that my juices were really creaming up. In fact they were hotter and thicker and flowing faster than when I used my fingers on myself.

"I eased a little bit of the banana into my cunt hole, and my entire body seemed to jerk with pleasure, and I knew then for certain that this banana was going to give me the sort of orgasms that I was looking for.

Well in no time at all, or so it seemed, I had that entire banana inside my cunt hole, and when it was all the way in it really filled me right the way up. I hate to say it, but the curve of that banana, the thickness of it, filled me up more than a cock ever had.

"Mind you, that banana wasn't as hot or as throbbing as a cock, so I will state here and now that a banana will never take the place of a prick in my life.

"It was all the way in and it felt really good and hard and wonderful inside my cunt hole, and I started to wank off with it, started to push that banana in and out of my cunt.

"I did it slowly at first, for it did feel rather unusual inside my cunt hole, and I wanted to get used to the feel of having it in there before I went to town myself.

"It took me about three minutes or so to get used to having that strange object inside my hot cunt, and then I started to wank quite fast. I find that with anything inside my cunt, even a cock, it has to be done fast for me to get a good orgasm.

I really flashed that thing in and out of my cunt, and the curve of the banana was such that the top part of my cunt walls was getting all the pressure, and so I started to rotate that banana about inside my tight hole as I pushed it in and out.

"That did the trick, for as soon as I started to twist that banana about inside my cunt hole, so I started to have orgasms, and what wonderful intense orgasms they were as well.

"They hammered and shot through my body, they made me gasp for breath, they made me shudder and shake and wail with delight, they were the sort of orgasms that I had only previously associated with having a cock inside me.

"Yes, that banana was very good to me, and the harder and deeper I pushed it into my cunt, the more heavy and strong those orgasms became.

"Like I said, I have only just finished wanking off with that banana, and the juices are still streaming from my cunt as I am writing this."

Well, it takes all sorts, as they say.

YANA

Now let us hear from Yana, a really top class model, one of the very best. Not only has she appeared in this magazine, but she has also made many blue films in Holland, and as such she is a real expert on wanking. This is what she had to tell us.

"Wanking is fun, wanking is nice. I much prefer to wank off when a man is watching me, and I know for a fact that men love to see me play with myself.

"Now you have asked me what I use when I wank off. There is no simple answer to that one, for it all depends on the mood I am in.

"Yes, that means that in my time, I have had lots of many different wanking impliments inside my cunt hole. I have tried just about everything. If it will fit inside my pussy then I have tried it.

"If I am in a slow sexy mood, then I use my fingers. If I want some fast good orgasms then I use a candle. If I don't want to have to use my hands too much then I use the most powerful vibro that I can find, I just shove that thing all the way inside my cunt, with it turned on to full speed and just leave it there.

"With a vibro I do not have to push it in and out of my cunt. As long as it is powerful enough then the buzzing vibrations from it will give me all the orgasms that I need.

"Of course, if I am in a really kinky mood– and this happens at least once a day– then I will go for something very unusual inside my cunt hole.

"Yesterday, for instance, I was feeling very kinky indeed. I was with this man, he had just fucked me, and his spunk was still inside my pussy hole.

"I reached for a hairbrush by the side of the bed, reversed it so that I was holding it by the bristles, and then I slowly eased the plastic handle of that brush all the way into my spunk hole.

"It was the first time in my life that I had ever used a brush like that.

"It was a wonderful experience, for as that handle went all the way into my spunk filled pussy so I had the most brilliant orgasm, the sort of orgasm that took my breath away, the sort of orgasm that made me shout with joy.

"Yes I really wanked off hard with that thing, and my cunt cream, and the man's sperm, came dripping and flowing and bubbling from my pussy hole.

"Of course, the man was watching me, and he got really turned on by it all, and soon his cock was hard again, so I took the handle from my cunt, and then fucked with the man.

"Yes, that handle was nice, but I have also used the neck of a wine bottle, a carrot, even a cucumber, when I have wanked off.

"I don't care what it is inside me, don't care how unusual or kinky it may be, all that I am interested in is having as many orgasms as possible when I wank off.

"Like I said, it depends on the mood I am in, and there are some moods that I get into which means that fingers or candles or vibros do not produce the results that I need, and it is at times like that that I go for something unusual inside my pussy hole."

Well, that's about it, we have run out of space, so we will have to hold over for another time the take from a woman who used her lover's big toe to wank off with. Yes, that wasn't a misprint, she really did use a big toe inside her pussy to have an orgasm.

So, that is something to look forward to, and don't forget, all the models that we have spoken about wanking off in this article are models that have appeared, or will appear, in the pages of this magazine. So you can see that they are not only sexy on the pages of this publicatication, they are also very sexy indeed in real life.

JAMMED LIFT

Dear Editor,

Ever had a fuck in a lift? I have. I was in the lift at our block of flats with my girlfriend when the bloody thing stopped. It was jammed. I pressed the alarm button, and someone yelled out that they were trying to fix it, but it would take a while.

Half an hour later we were still there, and I suggested to Fran that to pass the time we should fuck. Well, the lift wasn't big enough to do it on the floor, so we had to stand up.

She hoisted up her skirt and then pulled her panties down her ankles, and I dropped my trousers and pulled down my pants.

She knelt down and sucked my cock for a little while to get me really hard, and then stood up with her back against the lift doors.

I stood up close and managed to ease my cock into her cunt. It had been ages since I'd last had a stand up fuck, a knee trembler I think they are called, and it really was hell on the knees.

Her cunt was really wet as I pushed my prick up inside it, and I think it was the thrill of doing it somewhere different that was the thrill of doing it somewhere different that was really turning the both of us on, for my cock was much stiffer than normal.

She started to gasp and moan as I banged away with my cock, and someone was working on the lift must have thought that the sounds she was making were sounds of panic, and they shouted back that they wouldn't be long.

This made Fran laugh, and she started to rock from side to side, and me, with my hands on the doors above her head, shafted hard and deep into her cunt.

Like I said, it was hell on the knees, and it wasn't the most comfortable position, but it was great fun for all that had.

I banged her hard, and then shot my spunk into her cunt, and she let out a huge cry of pleasure when that happened, and again the bloke working on the lift thought she was throwing a fit or something, and said it wouldn't be long before they had the thing working again.

I had just slipped my cock from her cunt when the lift started to go down, and there was one hell of a rush to pull up knickers and zip up trousers.

We just managed it as the lift doors opened, and there was quite a crowd waiting out there for us, and we said we were okay and just walked away.

It was a very unusual way to fuck, and I wouldn't do it that often, but for a one off fuck it was very nice indeed. I often wonder what the next people in the lift thought about the drops of spunk on the floor.

Mr.G.F.
London.

FIRST TIME WHORE

Dear Editor,

Had a stroke of luck the other day. I found this street girl who was new to the game. Yes, he didn't even know what time of day it was.

Most street whores are as hard as nails, and they rush you through the sex as fast as they can. That is why in the normal course of events I never touch them, never go with them.

But, I was picked up in the street by this girl, and she looked nervous, and when I questioned her she said it was her first time on the game. I managed to beat her down from the thirty quid she asked for to just fifteen.

Now for that money you normally only get a hand job or something from a hard bitten experienced street girl, but for my money, with this new bird, I got everything I asked for.

She had this small flat near to where she picked me up. She undressed and so did I, and then I pointed at my cock and told her to suck, and she did, and she was quite good at it.

Now experienced street girls will only let you have one thing, either a fuck or a suck, they won't normally let you switch from one to the other, but this girl didn't know the rules.

So after she had sucked me for a while, I pushed her flat on her back, shoved my cock into her cunt and then fucked her for a couple of minutes.

Then I pulled my cock out and told her to suck me again while her juices were still on my prick, and she, not knowing any better, did as I asked.

I kept my control, and after she had sucked for another couple of minutes, I again pushed her flat on her back and again got my cock stuck into her nice tight hole, and again I fucked her for a little while, and then, once more, I pulled my juice coated cock from her cunt and told her to suck me, and suck me all the way and drink down my sperm. Well, as you know, experienced street whores will never drink down spunk, they just spit it out.

But this girl didn't know any better, she really was new, and so she sucked me until I came, and then, when my spunk gushed into her mouth, she took ever last drop of it down her throat. I reckon that really was good value for money.

Yes I was lucky, but I hope your readers will take a tip from me, if you want good value and good sex, then don't pick up just any street whore, ask round until you find one who is new to the game, and then you will get the best value for money possible.

Mr. H.J.
Lewisham.

KINKY LADY

Dear Editor,

Talk about bleedin' kinky. I was with this girl the other night, managed to get her back to my place, thinking that she might fuck with me, and as soon as I mentioned sex she just smiled and said she was kinky with it, and that she would like me to put on her knickers while she sucked me off.

Well, they were small knickers, I couldn't get them on, just above my knees in fact, but that was okay, for she sucked me off, and then, when I came, she sort of pointed my cock downwards to make sure that some of my spunk went over her knickers.

What followed next was even kinkier, she then rubbed her face all over her knickers and she had an orgasm while she was doing so.

Well, it was the most usual thing that I had seen in my life, but more was to follow. She looked round my place, found a cock bottle, drank the contents, and then pushed the neck of the bottle up inside her pussy and then wanked off with it.

By the time my cock was hard again, she was ready for some more, but again, she didn't want anything the normal way.

She stood behind me, reached under me and took my cock in her right hand and wanked me off, and my spunk shot out all over the mirror we were standing in front of.

Then she pushed me out of the way, and then knelt down and rubbed her face all over the mirror.

Now by this time I was getting a bit fed up, well kinks are all very well, but whatever happened to straight fucking, I asked myself.

Well I managed to get hard again, I asked her just to stretch out so I could shove my dong into her cunt and give her a fuck.

She refused, said she didn't get any orgasms from doing it straight, she had to be kinky to have fun.

I thought, 'fuck this for a lark' and got dressed and told her to bugger off. Well, I like fun and games the same as the next man, but this was beyond a joke. I was wondering if any of your other readers had ever come across the sort of woman who wants to be kinky all the time.

Mr. B.W.
Dartford.

COCK SUCKING

Dear Editor,

I like having my cock sucked. But then again, I suppose every man who reads your magazine likes to be sucked off when he gets the chance.

Trouble is there are a lot of women who really don't know the first thing about sucking cock. I mean we've all met the sort of girl who just takes the cock into her mouth and then sucks without any real interest in what she is doing.

Then there is the girl who let's her teeth get in the way and you end up with a very sore cock, but worst of all, in my opinion, is the girl who sucks you off all the way and then, just as you come, takes the cock from her mouth, holds it down so that your spunk goes all over your own belly. Yes, that to me is the worst form of cock sucking going.

But every now and then you run into a girl who really knows how to suck cock, the sort of girl who goes flat out to give you pleasure and when you come across a girl like that then you have the time of your life.

I met a girl like that a few days ago, her name was Beth, and as soon as we got into bed, she said that her main sexual interest in life was cock sucking.

She liked fucking, so she said, but got most of her kicks, her biggest orgasms, from sucking cock all the way.

Well, I'd heard all that sort of thing before, thought she was just showing off, so I put her to the test, and stretched out on the bed, pointed at my cock and told her to show me just how fucking good she was.

Well, take it from me, she was the best, the very best.

You know how some women rush cock sucking? Well, not this one, she just moved down and then placed her head close to my cock and then looked at it for a few seconds, saying she just loved the sight of a good erect cock, and it must have turned her on, for as she looked at my prick, so her juices started to pour from her quim.

Then her head went down, and her tongue started to move slowly up and down my shaft, so slowly, and so very gently, and with such expertise, that my cock became hard and stiff and started to throb like hell. Yes, the touch of her tongue was that good, and I knew, from that very first lick that she hadn't been showing off, I knew from that first touch that she really was an expert at sucking cock.

She lapped softly and slowly, and the she ran her tongue over the head of my glans, and then her right hand went to my balls, and I felt the tips of her fingers pulling gently at my sacs.

Then she parted her lips just a little and took the head of my cock inside her mouth, her lips closed down round the head of my shaft and then she sucked just a little, and as she sucked, as her cheeks blew in and out, so I could feel the tip of her tongue flicking away at my swollen knob head.

I moaned with pleasure and felt the blood pounding through my body, this was incredible, and the gentle suction from her mouth was almost making me come there and then.

She took my cock just a little deeper into her mouth and sucked just that little bit harder, and then her cheeks blew in and out, the tongue flicked, and the suction increased, as did the pressure of her fingers on my balls.

Then her head started to go up and down, very slowly at first, and then speeding up, till she was going flat out.

She was really into it, now really giving me all she had really showing me just how good she was.

My glans was right at the back of her mouth, my balls were being pulled hard, and the suction from her mouth was out of this world.

I started to heave my hips up and down, started to bang the head of my cock right against the back of her mouth, and then she sucked even harder, and it was at this stage that she had an orgasm.

Yes, she had an orgasm just from sucking me, and I hadn't even come yet.

Not that the come was far away, for she was sucking like hell now and that head of hers going up and down very fast indeed.

Then my spunk started to flow, and her eyes went wide with pleasure as my savage jets of hot sperm gushed right to the back of her mouth.

She had more orgasms as she swallowed my spunk down, and she kept on sucking right until the very last drop of sperm had been sucked from my penis.

Now that is what I call a good cock suck, and the pity of it is that there aren't that many girls around who suck like that.

Mr. M.N.
Manchester.

We'd be interested to hear from readers who think they had a better cock sucking than the one described above....Editor.

SARA & PAM

Dear Editor,

Thought I'd drop you a line and tell you about something very interesting that happened to me a short while ago.

I often read the letters in your publication, but have never written in before, because, quite frankly, nothing had ever happened to me that was worth talking about.

But all that changed a short while ago. I was staying at this bed and breakfast place on the South Coast. I'm a rep, door to door salesman as a matter of fact, and have to stay at cheap places as business is tough these days.

Well, I'd just booked into this place, it was cheap and comfortable, when I heard this noise coming from the room next door, and one hell of a noise it was, a sort of moaning sound.

Well, I unpacked and then left my room and walked down the corridor, and the door of the room next door was slightly open, so I popped my head round the door to see what was going on, and that was when my eyes almost popped out of my head.

For there, on the bed, were two naked women, they were in the 69 position, and sucking each other for all they were worth.

They broke apart when they saw me looking at them, but they didn't look in the least embarrassed at being caught.

Well, to cut a long story short, there I was, standing just in the doorway, a silly smile on my face, a huge bulge in my pants, and they invited me to join in.

Seemed they were chorus girls in a show that was on in the local theatre, and that they were bisexual, sharing the room, and that I had walked in when they had both decided a threesome would be nice, when they had just both decided they needed a man to help them out.

I could hardly believe my luck, but I wasn't going to turn down a chance like that, was I, so I closed the door, locked it, walked over the bed, and undressed as fast as I could fucking well could.

Pam and Sara were their names, and two very beautiful birds they were as well, both of them had firm tits, smooth skins, and lovely looking cunt holes, and as I got onto the bed I had the feeling that this was going to be one of the best experiences of my life.

I was right, the first thing that happened was that I was pushed flat on my back, then Pam started to use her tongue on my cock, and then Sara sat on my face and I pushed my tongue up into her juicy quim and started to suck.

Yes, sheer joy, a cunt on my face, and a woman sucking my cock.

Then they both went down on me and sucked at my prick and I sucked Pam's cunt, while Sara sucked and licked at Pam's tits.

We changed round all the time, sucked and licked and touched and did just about everything. Then I got on top of Pam and pushed my hard prick into her cunt and started to shaft her, and while I was doing that, Sara was licking at my bum with her tongue.

I pulled my cock out, started to shaft Sara, and Pam sucked Sara's tits, and then I fucked Pam again, then Sara, and that was the best part of all.

It was really something to be able to fuck a girl for a minute or so, pull your cock out, and then push it all the way into another woman's cunt, fuck her for a little while, and then go back to fucking the first woman again.

I was pleased that I managed to last a long time, and Sara was the lucky one, for I had my cock deep inside her cunt when I came, and she had this huge orgasm as my spunk jetted in.

Well, I stayed with them for about three hours or so, and had the time of my life, fucked them, sucked them, finger fucked them, and they played with each other, sucked each other, wanked each other, and then sucked me and shared out my spunk a couple of times.

Like I said, I've never written to you before, but I think you will agree that I really do have something to write to you aobut this time.

SHOUTS OF PLEASURE

Dear Editor,

You know, some women will go to any lengths to give themselves an orgasm. A lot of them aren't just content with being fucked, they have to wank off as well.

Now I'm not one to complain about that, for watching a woman wank herself off is always a very nice sight. There is something very erotic about sitting there next to a woman and seeing her flash something in and out of her cunt, and I'm sure that most of your readers would agree with me in this.

I have seen women wank off with all sorts of things, but when it comes down to the bottom line, I think that out of all things I much prefer to see a woman wank with her fingers, for then she really is using herself to play with herself, if you know what I mean.

Seeing her stick an object into her cunt is nice, but seeing her fingers flash in and out is even better. I also like the way women rub their fingers all over their pussy lips just prior to wanking, the way they rub the tips against their clit and lips to make sure they really are wet inside the fuck hole.

I like to get my face as close as possible to the woman's cunt when she does this, so close that I can see the thick drops of pussy juice sticking to the quim lips.

I love to see the vaginal flesh moving and rippling under the fingers, see the juices start to bubble out over the fingers.

Then I love it when the woman slowly pushes one finger into her cunt and moves it about inside her, and then, if she is really sexy, the woman will push two fingers inside her hole, and perhaps even three.

I like to be right there when she starts to flash those fingers in and out of her cunt, see the juices flooding out, hear her shouts of pleasure when she reaches orgasm, but most of all, and you only get this with really sexy women, I like to see her take her sticky fingers from her cunt after she has wanked off and then lick at those fingers inside her mouth.

Yes, in my experience, a really sexy woman will always suck the juices from her fingers, and enjoy doing so, after she has finger fucked herself to a good satisfying series of orgasms.

I don't know what your other readers think about this subject, but I would be interested to hear if they also feel that fingers are better than anything else when you are watching a woman wank.

Coventry.

HOLIDAY FLING

Dear Editor,

During the summer I work at this holiday camp, a really famous holiday camp, and I have the time of my life. The wages aren't very good, but the perks are out of this world, for it would seem to me that just about every single woman who comes to the camp for a couple of weeks is determined to cram in as much sex as possible.

I have a different woman every night of the week, no kidding. I guess that in the past couple of years at that camp I've been through no less than a hundred women.

Of course, out of all that lot, one or two really do stick in my mind. The first one, and the best in many respects, was Tina.

She was a girl who worked in a hairdressers, and she had come to the camp with her friend, Helen. Now Helen was an ugly little sod, but Tina was out of this world, and as she was there looking for sex, I didn't have to put in too much work to get her into my chalet and into my bed.

What made her really stick in my mind was the size of her tits, they were really huge, but huge, but the good thing about them was they didn't sag in the slightest, they really were firm and jutting, and one look at those naked tits of hers and I almost came in my pants.

She was very proud of those tits of hers, very proud indeed, and she liked to sit on the edge of the bed while I watched, and then she would lift her right tit up just as far as it would go, and then her head would come down, and she would take her nipple all the way into her mouth and give them a really good sucking. She liked sucking her own tits so much that when she did it she always gave herself an orgasm.

She liked to have spunk all over those tits as well. She really loved it when I leaned over her and wanked off so that my spunk flowed all over her boobs, and then, when I had finished coming, when all my sperm was on her tits, she would lift each of them up in turn and then use her tongue to lap the spunk from them. Yes, this was a real turn on, and she was also a good fuck, for although her tits were big, her cunt wasn't, she had a nice small, tight, and very juicy cunt hole, and it was a real delight to get on top of her, feel those huge tits of hers under my chest, and then sink my hard cock all the way into her cunt hole and really give her what for.

She was one of those kinky women as well, for after I had shot all my spunk into her cunt, she would reach down with her right hand and then push three fingers all the way into her spunk filled cunt hole and wank off for all she was worth, and after she had had as many orgasms as she wanted from finger fucking herself, she would take her very sticky fingers from her cunt and then place them in her mouth and suck them dry.

The only thing she wasn't very good at was sucking cock, she tended to rush the operation, but then again, you can't have everything, can you.

That brings me to the next woman who really sticks in my mind, she wasn't a camper, as a matter of fact she worked at the holiday camp, her name was Sue, and she worked on the catering side.

We soon realisd that both of us were there for fucking, and I'll never forget the first night she came round to my chalet, for she proved without doubt that she was the best sucker of cock that I have ever known in my life.

That very first time, as soon as we were on the bed, she took one look at my cock, licked her lips, and said that she must suck me off, that she hadn't had any spunk inside her mouth for at least two days, and in her terms, two days was almost a lifetime, so I stretched out, relaxed, and told her to be my guest, said that she could suck my cock for as long as I liked. That was very big of me, don't you think!

Well, she went down on me, and took my glans in her mouth and sucked it gently, just, so she said, to get a quick taste of me, and then she let my cock slip from her mouth, and then she really went to work.

She moved her tongue all over my balls, coated my balls with her saliva, and her tongue felt so good, so experienced, that I had to use all my self control to stop myself from coming right there and then – that's how good the lady was.

Her tongue then went up and down my shaft, and again she was very expert, and again my cock heaved and throbbed like it had never done before.

Then, when my cock was really hard, when I thought that it was sure to explode at any second, she again took my glans into her mouth, this time right to the back of her mouth, and her lips closed round my shaft, I felt her tongue flicking, and her fingers went to my balls, and then she really sucked, and it was a sucking that I am sure I will remember for the rest of my life.

Her head went up and down, and she sucked hard and she sucked soft, varied the speed of her tongue, her mouth, her lips, varied the speed and the pressure and the suction, and soon I heard myself moaning with pleasure.

She was an expert, a true expert, the sort of woman you only come across once in a lifetime, and then she made me come, and she had worked on me so well that when I did come, I shot out more hot spunk than I had ever done before.

She took every last drop of my spunk into her mouth, then she rolled it around the inside of her cheeks, then she let it trickle down her throat, and it should be added that all the time my spunk was going into her mouth, she was having orgasm after orgasm.

She kept sucking me until she was sure that she couldn't get even one more little drop from my cock, and then she let my cock slip from her mouth.

Yes, when it came to sucking cock, she was the best that I have ever had. Mind you, she was also pretty good in all other departments.

She was a first class fuck, her favourite positon was to be on top, and she would sit on my cock and not even bounce up and down, no, she would fuck me just by sitting on my cock.

She was one of those women who had perfect control over their cunt walls and cunt muscles. She could sit in my lap, my cock all the way up inside her cunt hole, inside of her cunt. She didn't have to move up and down, she just sat on my cock then sort of milked the spunk from me, made me come, just from rippling those cunt walls of hers up and down my shaft. It was an amazing performance, and I must say that she is the only woman I have ever met who could do something like that.

Well, there are many women I could tell you about, but those two, in their own ways, were the best. All I can say though is that when I read in your magazine about people searching for pussy and not finding it, then I think they must be mad, for all they have to do each and every summer is make their way to a good holiday camp, and there they will find all the pussy they can manage.

Mr. N.M.

OUTDOOR SEX

Dear Editor,

Having sex in the sun outdoors is much better than fucking away in bed, and I think that most women also find it much sexier to have the fresh air on their naked bodies whilst they are fucking.

At least that is my experience. let me tell you about it. I'd been going with Trish for a few weeks, and a really beautiful girl she is as well. Of course, I'd tried to get her into bed, but she wouldn't have any of it. She gave me a hand job, that's true, even sucked me off once or twice, allowed me to finger fuck her and suck her cunt, but she wouldn't let me fuck her, always said she wasn't feeling quite in the right mood, not feeling randy enough, to allow me to get my cock all the way inside her darling little cunt hole.

Well, I was getting fed up with this, kept asking her what would put her in the right mood to allow me to fuck with her, and she kept saying that she didn't know.

Well, I was thinking about packing her in, but thought I would give it one last chance, and so one sunny day I bundled us both into my car and took her for a drive out into the country.

She loved that, said she hadn't been out in the country for ages. I drove her down to the coast and we had a meal at a pub, and then I took her to this little sheltered cove and we stretched out on the grass just above a bank of sand, and listened to the waves coming in.

And all of a sudden she started to say that she was feeling very sexy indeed, she started to say that the open air, the sound of the sea, the fresh air, was all making her feel very randy indeed, and she looked at me and said, yes, she was now in the mood, and would I please fuck her.

I was pleased, to say the least, and we were the only people there at the cove, and so I grabbed hold of her and we rolled over and over on the grass and kissed and touched and fondled, and she was panting with lust by the time we broke apart.

Then we rapidly undressed each other, and again rolled about on the grass, and then she went down on me and started to lick with her tongue over every single part of my hard cock.

She looked up, said that if I had brought her down to the coast earlier, sooner, she would have fucked me befor, she said there was something in the sea which made her go all funny inside, something about having fresh air wafting round her naked body which made her want to fuck with me all day long, and with that she rolled over on her back in the grass and opened her legs, and I saw that her pussy was soaking wet, that her lips were parted, that juices were babbling out.

I got on top of her, and then, for the first time since I had known her, I was slipping the full length of my hard cock all the way into her cunt hole.

It was tight and wet in there, and my cock sank in and she climaxed, and I went in all the way till my balls were pressing against her cunt lips, and I could feel the sun beating down.

Her legs went up, I went further in, then those long legs of hers came down again and they clamped round my back and she started to heave up and down like the clappers, and then she was shouting as I thrust in and out, shouting loud and long as I fucked her, and the orgasms pounded through that lovely naked body of hers.

In and out went my cock, and she kept saying how wonderful it was to fuck in the open air, and would I fuck harder and deeper, and she was like a wildcat under me as I fucked and screwed her.

My spunk started to pump into her, and she had a big orgasm at that moment, and then I felt the walls of her cunt ripple along my pumping shaft as she strained to get every last drop of my sperm from me.

I flooded that cunt of hers with spunk and then pulled my cock out, and then she rolled down, took my sticky cock inside her mouth and sucked it dry, and then she was flat on her back again, and I saw her push three fingers all the way into her spunk filled cunt hole, and she started to wank off, and spunk and pussy juice came flying from her cunt.

Yes, we fucked for the rest of the day and then went home, and the next day she didn't want to fuck at my place, said she could only do it in the open air.

Like I said at the start, some women need to be in the right place to put them in the right mood for fucking, and it would seem that some of them like the open air to anything else.

JUICY CUNT HOLE

Dear Editor,

Loved that story in your last issue which went into detail about what a woman feels like when she is having her cunt sucked.

To me there is no greater pleasure on this earth than being able to stick my tongue inside a really nice juicy cunt hole and suck away for ages and ages.

Well, perhaps fucking the woman is better, but only just. I will admit that I'm a cunt sucking freak, I suck pussy whenever I get the chance. And you know, there are some women that prefer to be sucked then fucked!

Yes some women don't get a lot of pleasure out of having a cock banging away inside their cunt holes, but they do get pleasure from having a nice soft wet tongue moving about inside them.

I love cunts, can't get enough of them love to suck them all the time. My idea of heaven would be to have an endless supply of women all lining up waiting for me to suck them out.

I've found in my cunt sucking years, that women taste very different from each other. Okay, they are all slightly salty, I will agree, but some are also very sweet, some are slightly musky, some are sour, some are like honey,

some like rare wine, but no matter what they taste like, I love them.

Perhaps the best girl that I ever sucked out was Wendy. Now there was a girl for you, super figure, lovely bum, and a cunt that was out of this world.

She knew she had a great cunt that is why she shaved all the hair from it, she said that pubic hair only got in the way, and anyway, she liked to walk down the street with no knickers on feeling the material of her skirt, or jeans, or whatever, rubbing aginst the naked flesh of her pussy.

The first time I saw that naked hairless cunt of hers, I almost came in my pants.

For she had these fleshy, floppy, long, pussy lips which seemed to pout out inches from her mound, and those lips always seemed to be wet. Yes, no matter what time of day or night, those cunt lips of hers were damp wth sweet pussy juice.

I'll never forget the first time I went down on her and then spread those cunt lips wide apart with my fingers.

The scent which came from her cunt was amazing, it was so fucking good that again I almost shot my load right there and then.

I plunged my tongue into her cunt, and almost at once her cream gushed out and flooded into my mouth, and she turned out to be the wettest woman I have ever known.

No matter how much juice I sucked from her cunt, no matter how fast I swallowed it down, she always produced more and more and more. There seemed to be an endless supply of the stuff. Even when she wasn't really feeling randy, that juice would still pour and flow from that marvelous cunt of hers.

I lost count of the number of times I sucked her out that night, lost count of the number of orgasms she had, but it must have been dozens.

Like I said, she was very proud of her cunt, and she loved the taste of her own juices, and that very first night I was with her, while I was taking a breather, she pushed two fingers from her cunt and then very quickly placed them inside her mouth and sucked them dry; and would you believe, drinking down her own cream like that gave her an orgasm!

She had one trick which I must tell you about. She used to roll around and then crouch over my face, then she would use her fingers and pull those lovely cunt lips wide apart, so that the juices would flow down all over my face and into my open mouth, and then she would push a couple of fingers up into her cunt and wank off really fast, and this meant that the juices really flooded down onto my face and into my mouth after that.

Of course, being a randy sexy lady, she then lapped her juices from my face with her tongue. I don't think that I ever fucked that lady, I think that all we ever did was suck each other.

So, that's why I like your magazine, you feature the best sotries, and also the best wet wide open cunt pictures in the country. Please keep up the good work.

Mr. L.P.
Guildford.

In our next issue we will be featuring more wide open shots than ever before, and they are wetter than they have ever been before. Something to really look forward to, eh ....Editor.

KINKY LENA

Dear Editor,

In my time I've run into some kinky women, but the kinkiest of the lot was Lena. Now there was a girl who would make the Marquis De Sade look straight.

She was far too much for me, and I just couldn't handle all her demands, but some of them I managed to take part in and some of them were quite interesting.

I can't tell you about all her kinks, for some of them were very illegal, and even putting them down in print might cause you legal problems, but let me tell you about some of the things she got up to that you can print, and when I tell you that these were about the tamest she got up to, then you will see just what a kinky lady she was.

One night she had me spread honey all over her naked body. Yes, honey. I had to spread this stuff all over her, and then lick it all off. Yes, licking it off was easy for a while, and then the thing got too sweet, although licking honey off her cunt was great fun.

Then there was the time she had me wank her with a cucumber. Now I've heard of women using many things inside their cunts, but this was the first time that I've ever had a woman ask me to push a cucumber into her pussy.

It was fun though, and the cucumber was very big and how she managed to take it so far into her cunt I will never know, and when I was pushing it in and out of her twat, she had so many orgasms that for a while I thought she was going to pass out.

I won't go into detail about water sports, but she was really into that sort of thing. She told me that she had a girl friend called Jane with whom she usually did it. She insisted on this water sports thing at least once an evening. I couldn't see the sense of it, but I was prepared to go along with anything she wanted, for the simple reason that at least once a night she would let me fuck her, let me get my cock into her cunt, and in bed she was the greatest, but the greatest, and so, if I wanted to end up fucking her then I had to be prepared to put up with all the kinky stuff that she wanted at the beginning.

I could fill this entire page with a list of things that she had me wank her off with. Yes, there were that many things that she ended up having inside her cunt, and some of them were really way out. She had this rule, you see this rule that said that if it would fit inside her cunt without hurting her, then she would wank off with it.

There was also a time that she crouched over me and wanked off, so that her juices rolled down over me, she started on my back and coated my back, my bum, and my legs with her cream, and then I rolled over and she did the same thing to my front. She was indeed the wettest woman, when wanking, that I had ever met.

Then she would roll from over me, and then lean over and use the tip of her tongue to lap all her juices from my naked flesh, and doing this, lapping up her cream from my body and then drinking it down, always but always gave her another series of really good orgasms.

I'll never forget the time that she had me pour half a bottle of wine into her cunt. She held her cunt wide apart with her fingers, raised her bum

from the sheets, and then I had to pour as much wine as possible into her cunt, and then, of course, she had me go down on her and suck it out, and the mixture of tastes of the creamy juices and the wine was really rather nice, and more than once I would pull my face away from her cunt feeling quite drunk.

Yes, she was quite a woman, but when it came to fucking then there was no one who could match her, she had the tightest and wettest cunt of any woman that I had ever known, and getting my cock into that pussy hole of hers was always a sheer delight.

She had such a tight grip with that cunt of hers, with her cunt walls, that there were times when I thought I would never be able to get my cock out again.

Yes, she was one hell of a woman, she wanted to try everything and anything, but although I was fully prepared to go along with her on most things, there were some things that were even too much for me to handle.

But I'll have to leave it to your imagination as to what those things were.

GIGANTIC TITS

Dear Editor,

Your last issue was the best yet. I particularly liked the bird with the really huge knockers. Those tits were the biggest I've ever seen on a woman.

I love large tits, I prefer them if they are nice and firm, but even if they do sag a little, so what, there is nothing quite like plunging your face into mountains of female flesh.

If I see a really good large pair of firm tits then it gives me an erection on the spot.

The biggest pair of tits I ever got my hands on belonged to a girl called Betty. What a girl, not only did she have large tits, but an added bonus was that she was very good in bed.

I used to be flat on my back, and she would lean over me and swing her shoulders from side to side and those gigantic tits of hers would slap me round the face. It was lovely, and she would also do the same thing to my cock, and there were times when I would come just from having her large tits slapping against my erect cock, and the sperm would shoot all over her tits, and she liked that, would often have an orgasm from it.

What was really nice was to be able to get on top of her and then sink my cock into her tight pussy hole and fuck her, and feel those mountains of flesh, feel those gigantic tits, wobble under me as I shafted in and out.

Of course, like all girls with really large breasts, she liked to play with them. Yes, that is a fact, I have always found that girls with really large tits get quite turned on by playing with them themselves.

Most women with large breasts get a lot of pleasure, sexual pleasure, out of sucking their own tits, and Betty was one of those girls.

She would sit on the bed and then use her hands on her boobs, fondling them, playing with them, squeezing them, really tweaking at her nipples with their fingers making the nipples really stiff and throbbing, and then with a look of anticipation in her eyes, she would place both her hands under her right breast – she always favoured her right breast – and then she would lift it up as far as it would go and then lower her head and a couple of seconds later she would be flicking her tongue all over her nipple coating that nipple with her saliva, and then when she had that nipple as stiff as it would possibly go, she would lower her head just a little more and because her tits were so large, she was then able to take her entire nipple all the way into her mouth and give it a really good hard sucking.

It goes without saying that when she had a nipple inside her mouth, when she was sucking hard on it, she would always have an orgasm.

There were times, when she was sitting on the edge of the bed, sucking her nipple, that I would move in and kneel down and then push my tongue all the way into her cunt hole and then suck her cunt out, suck her out and drink down her juices, and what with her sucking her own tit, and me sucking at her wet cunt, she would have some really big orgasms.

But her favourite thing was for me to come all over her tits, she liked me to kneel over her while she was stretched out on the bed, and then she would use her right hand to wank herself off, and while she was doing that, I would take my cock in my right hand, and keeping my cock pointing at her tits, I would wank hard and fast, really fast, so that when I came my hot spunk would shower over those huge tits of hers.

Sometimes she would use her hand and just rub the sperm into her tits, but there were other times when she would sit up, lift her tits up high, and then use her tongue to lap as much of the sperm from her boobs as she could.

That is why I love to see pictures of women with really large tits in the pages of your magazine, for each time that I see them it reminds me of the fun I had with her, and brings back really happy memories of the times when my spunk would go spraying all over her boobs.

I would ask though, if you could publish some pictures of women sucking their own tits, for in this department you have let us down a little, you have shown us pictures of women playing with their tits, but how about a few pictures of women actually sucking at their own tits?

Mr. J.A.S.
Brighton.

MODELLING ASSIGNMENT

Dear Editor,

I was driving down this country lane when I saw a lovely sight, there was this woman leaning over the bonnet of a car, and her skirt had ridden up and I could see a nice rounded bum encased in some very brief panties.

I stopped, she turned round, and I saw that she was about twenty three, and very lovely. She said that her car had packed up, she was in a hurry to get somewhere for she was a model, and had an assignment, and could I help her.

I had a look under the bonnet, all it was was that one of the leads had come adrift, but I used my common sense and told her that it was quite serious, but that perhaps I could fix it, and so I made a great play of getting the car started. It should have taken me just a few seconds, but I made it take a good ten minutes, and she was really very grateful, she kissed me on the cheeks, and said that this modelling assignment was very important to her, and how could she repay me.

I asked her where she was going, and it turned out to be the same town as I was making for, and I gave her the name of my hotel and said it would be nice if she had dinner with me that evening, and she promised me that she would.

Well, that evening, I was sitting in the lounge of the hotel, not really thinking that she would turn up, and then there she was, standing over me.

We had dinner, and she said the assignment had gone really well, by getting there on time

she had signed a contract worth a lot of money, and that she owed me a great deal, as she would have missed out on it if I had not fixed her car, and she again asked me just how she could repay me.

Well, there is an old saying, 'if you don't ask you don't get', and so I came right out with what was on my mind, I asked her, if she really was that grateful, if she would come to bed with me.

She didn't hesitate, she said it was the least she could do for all the help I had given her, and why didn't we go up to my room right there and then and she promised me that she would give me a really good time in bed, as sex was one of her very favorite things.

When she undressed in my room I could see right away why she was a good model, for she had a fantastic figure.

Just looking at her was enough to give me an erection, and my cock was really hard and stiff and throbbing even before we got onto the bed. Again she said just how grateful she was that I had helped her, and that I should just relax, and she would give me a really good time, she said I shouldn't do anything, she would start by working on me, by giving me as much pleasure as she could.

She was amazing. She was very inventive and very sexy, and that session with her will be something that I will always remember.

She started off by sucking my cock, she sucked at it very gently, drew me deep into her mouth and used her tongue and lips in such a way that I thought my cock was going to explode.

Then, when I was shaking with delight, she crouched over my cock, and then her right hand went down to her quim, and she slowly inserted three fingers inside herself so that when she wanked, her pussy juices really streamed down all over my cock.

Then she leaned over me again, and this time she used the tip of her tongue to lap all the juices, her own quim juices, from my cock, and this made me so excited that I came right there and then, and my hot sperm gushed into her sucking mouth.

She had an orgasm as my sperm went into her mouth, and I have always said that that is the sign of a very sexy woman, only really randy women, only women who really love sex, have orgasms when they drink down spunk.

My cock was still inside her mouth and she was still sucking away, making sure that she got every last drop from me.

Then she moved up my body, and she crouched low over my face, so that by looking up I could see every single detail of her cunt lips, and then her hand went down and again she pushed three fingers all the way into her cunt, and then she wanked off, and this time, as she climaxed, so her thick hot slowing cunt cream went showering down all over my face.

It wasn't long before my face was sticky with her cream, and then she turned round, and again she used her tongue, and again she climaxed as she lapped her own juices from my face.

Then she sat on my face, and at last I was able to get my tongue into that wonderful cunt hole of hers, was able to suck and slurp her out, was able to drink down vast amounts of her very lovely tasting pussy fluid.

I lost count of the number of orgasms that she had while she was sitting on my face, my cock was almost stiff again.

She soon made it stiff, for she rubbed her firm lovely boobs all over my cock and balls, and then she lapped at the head of my glans with her tongue, and soon I was as stiff and as hard as I had ever been.

She faced me, and then sat down on my cock, sat down on it very slowly, and as my cock went all the way up inside her tight pussy, so she had another climax, and I sighed with delight when I felt her very hot bubbling juices swimming round my throbbing shaft.

She smiled down at me, and then started to glide up and down on my thick hard rod, and she didn't rush it, didn't go flat out, she just eased up and down, keeping her word that she was going to give me as much pleasure as she could possible.

It was one of the best fucks that I have ever had in my entire life, and her cunt was red hot and very wet, and then she speeded up, and then she went flat out, hammering up and down on my cock just as fast as she could go, and she seemed to be having one orgasm after the other, no sooner had one orgasm passed then another one started, and I was now using my hands on her bouncing boobs as we both hurtled towards a really good climax.

She closed her eyes and shouted long and loud as my spunk jetted up inside her cunt tube, and then she sat down on me, didn't move, just used her cunt walls to squeeze every last drop of spunk from me.

Yes, that was an amazing fuck, and we had three more fucks that night, and she was amazing, she knew every trick in the book.

Well, it does pay to keep your wits about you, if I had told her, when I first met her, in that country lane, that it was just a loose lead, then I wouldn't have ended up fucking with her, but by saying that fixing her car was a tricky business, I was now having the sexual time of my life.

Yes, a little white lie every now and then can certainly pay off in terms of sex if you keep your wits about you, don't you think.

Mr. V.F.
Dorset.

CONVERTED SEX LIFE

Dear Editor,

My sex life has always been what you might call pretty sraight. I've never had much time for the so called kinks, after all, in my opinion, there is nothing better than pushing your cock into a nice tight cunt hole, everything else pales into insignificiance besides that.

Well, a few weeks back I was with this girl and she was a real good looker and sexy as hell, and I managed to get her back to my place, and then I fucked her, and she had a nice wet pussy, and I gave her all my best shots, really fucked her well, and you can imagine my surprise then that even when my spunk went gushing into her quim, she didn't even climax.

She said it wasn't my fault, that she could only get an orgasm one way, and I asked her what that was, and she said that she could only come if a man slapped her bum.

I was rather taken back at that. For I knew that some women could only come if they were sucked out, some could only come if you finger fucked them, and most women could only come when you fucked them.

This was the first time in my life that I had ever heard a woamn say that she could only reach a climax if a man slapped her bum.

Well, I offered to do it for her. Well, she had given me a good fuck, she had been writhing and heaving while I was fucking her, she had even sucked me a lot before I fucked her, all in all she had treated me very well indeed, so I thought it only fair that I should give her a climax, and if the only way she could have one of those was by having me slap her bum then so be it.

She rolled over on her hands and knees on the bed, and raised her bum in the air, and I had to admit that she had a very nice looking bum.

I started to slap that bum of hers, and not being used to this sort of thing I did it quite gently, but she turned her head and said she would never come like that, that I would have to slap her much harder, that she couldn't come until her bum was red and tingling, so I slapped harder, and sure enough, a few minutes later, her juices started to drip from her cunt, a few minutes into that slapping, she started to moan and sob with passion, and then as I continued to slap at her beautiful firm rounded bum, she had an orgasm, and a really huge orgasm it was as well.

It goes to show, doesn't it, that just when you think you know all about women, along comes one who throws all your notions inside out and upside down.

PLAYBIRDS CONTINENTAL

Dear Editor,

Have just finished reading a back copy of Playbirds Continental, issue 29 to be exact, and I was really taken by it. This has to be the best issue of any men's magazine that I have ever seen.

Inga, in the centre of hte magazine, had a really lovely pair of tits, and the way she was fondling them gave me an erection, she also had a beautiful wide open cunt hole.

But it was Stevie, near the end of the magazine who really appealled to me, blonde, beautiful, and sexy.

I loved the picture which showed her with a finger actually inside her cunt, and I loved the rear view one where she was pulling her bum cheeks apart so that you had a very clear view of her wide open bum hole. This bum hole shot was a first class and very hot picture.

She also had a very nice cunt, and the way she spread the lips was a joy to behold.

I loved everything about this issue, every single girl was a real stunner, and never in all my life have I seen so many wide open cunts in one single issue of a magazine.

Mr. G.F. London.

SHOWER PLEASURE

Dear Editor,

Ever been sucked off in a shower? Well, until the other day I hadn't, but there is something about having hot water steaming all round you that makes the cock sucking really special.

I'd been with this girl called Rose, and we had fucked, rested, and then she said she wanted a shower, so we went into the bathroom, and first of all, under the shower, she carefully washed all the spunk from her cunt, then she washed me all over, and then I washed her.

It is very sexy being next to a soapy slippery naked woman in a shower, and it wasn't long before my cock was starting to get hard again, and she kept rubbing up against me to make it even harder, and that was when she asked me if she could suck me off right there and then.

Well, I never, ever, turn down the chance of having my cock sucked, so I told her to go ahead, and so right there, under the streaming water, she went down on her hands and knees and took the head of my cock into her mouth and started to suck.

Now you may say that a cock suck is a cock suck no matter where it is given, but you would be wrong, for in the shower you not only feel the water pouring down all over you, you also hear it, and the sound of the jetting water seems to compliment the slurping sounds which comes from the woman's mouth as she sucks you off.

She was soaking wet, of course, and how she could concentrate with all that water pouring over her head I do not know, for the water was also bouncing from me and going over her.

But she kept sluring away, moving her head backwards and forward, blowing in and out with her cheeks, her eyes closed against the water.

And the feel of that water, the sound of it, as it poured down over the both of us, the fact that this was my first cock suck in a shower, made my cock get harder and stiffer than it had ever been before, and the end result was that when I came I shot out more spunk than I had ever done before, and that soaking wet woman drank down every last drop, and came as she did so.

Yes, that cock suck in the shower was an incredible experience, not as comfortable as being in bed, of course, but somehow the water running down over the both of us made it that much more sexy than being in bed.

If you haven't had a cock suck under a shower then I would suggest that you try it, believe you me, it is quite an experience.

Mr. G.G.S.
